On Saturday night December 11, 1911, God sent his angel and claimed for his own Mrs. Jane A. Frazier at the age of seventy-two years. She died at the home of her daughter, Mrs. Ben Knott near Oak Hill, where she had lived since the death of her husband several years ago. She has been an invalid for two or three years and her death was not unexpected. She united with Mountain Creek Baptist church at an early age and remained a true and faithful member until her death. She loved her church and always attended services regularly until she was unable to do so.

She will be sadly missed in her church and community in which she lived for her true christian conduct. She leaves four daughters and two sons besides a number of other relatives and friends to mourn their loss.

To these we extend our heartfelt sympathy in this trying hour and point them to Him or comfort who doeth all things well, and while their loss is great we know it is her eternal gain.

She was laid to rest by the side of her husband in the burying ground at Mountain Creek church to await the resurrection morn.

Lots of farmers are busy making plant beds while some have already burned. The land has been too wet for plowing for wheat.

SMITHFIELD BOY WINNER.

Large Audience Present at Annual "9019" Contest for High School Declaimers at Trinity College Friday Night—Banquet Given Participants and Visitors Afterward Enjoyed.

Before an audience that practically filled Craven Memorial Hall at Trinity College, ten speakers from as many schools in North Carolina delivered Friday evening, ten declaimations in the contest for the medal offered by the "9019" to the winner in what is known as the annual interscholastic declamation contest.

The winner of the medal was Hinton Gardner Hudson, of Smithfield, representing the Smithfield high school. He is the son of J. B. Hudson, a cotton buyer well known in the eastern part of the state.

The successful competitor, only 15 years of age was probably the youngest, as he was certainly the smallest, among the whole number.

This is the second year that the "9019" a patriotic and literary organization of Trinity College has offered this medal and arranged for this contest and it is becoming one of the important events in the calendars of the state schools.

At all times during the program the audience was free with applause and the enthusiasm shown was almost without bounds when Mr. Erwin for the judges announced that young Mr. Hudson had obtained the coveted honor. There were several speakers on the rostrum, however, who had a large number of sympathisers. Mr. Messler from Asheville, who spoke second, made an excellent appearance and his speech was heraly applauded. Mr. James A. Taylor, of Oxford, who represented Cluster Springs Academy, Va., also showed up well and won friends among his auditors. Clarence Ross from East Durham, who declaimed Adam's speech on the declamation showed the results of careful training and effort.

In making the announcement of the decision Mr. Erwin stated that he wished there were ten medals to give that the committee felt that every man who spoke deserved some mark of honor.

Even in Mecklenburg county, the banner county of the state in good roads, there is a striking parallel afforded between sections in which macadam roads have been built and sections yet unblest with these improvements. Let one branch off from some of the main lines of improved thoroughfares and enter a cross-country road, and one will at once appreciate the difference in the surroundings. Up-to-dateness in farm appearance and in the appearance of the people become striking when the comparison is made.—Charlotte Observer.

Wagons, harness of three different makes, will be sold at prices that will pay you to come a long way, to get, next Thursday, Friday and Saturday at Samuel Davis', Clarksville, Va.
