CURE CAN'T CATARRH. Stomach Dosing, Sprays and Douches Have All Failed. There is only one way to cure catarrh. Reach the raw, tender, inflamed membrane that is infested with catarrh germs, and destroy the germs. You can't reach the nooks and crevices with liquid preparations--there is only one way--breathe the antiseptic germ killing air of HYOMEI (pronounce it High-o-me) directly over the infested parts. HYOMEI contains no opium, cocaine or other harmful drugs, it is made of Australian eucalyptus, thymol and other Listerian antiseptics. It is guaranteed to end the misery of catarrh, asthma, croup and bronchitis, or money back. Ask J. G. Hall about the Hyomei outfit today he sells it for only \$1.00 and guarantees it.
