What the U. S. Stands For as Interpreted by Our Industrial Output  
A public speaker recently pointed out that while the United States has only 6 per cent of the population of the world and only 7 per cent of the land, it produces:  
Sixty per cent of the world's supply of copper.  
Forty per cent of the world's supply of lead.  
Fifty per cent of the world's supply of zinc.  
Sixty per cent of the world's supply of aluminum.  
Sixty-six per cent of the world's supply of oil.  
Seventy-five per cent of the world's supply of corn.  
Sixty per cent of the world's supply of cotton.  
Forty per cent of the world's supply of silver.  
Fifty-two per cent of the world's supply of coal.  
Forty per cent of the world's supply of iron and steel.  
Twenty per cent of the world's supply of gold.  
Eighty-five per cent of the world's supply of automobiles.  
Twenty-five per cent of the world's supply of wheat, and refines 80 per cent of the copper and operates 40 per cent of the world's railroads.

**PAY OF POSTAL EMPLOYEES GETS BOOST IN STATE**  
Washington, Oct. 13.—Increase of \$39,000,000 in the pay of postal employees was voted by the senate. The bill goes to conference with an amendment providing expenses for fourth class postmasters. The total increase in employees pay recommended by Postmaster General Burleson was \$2,000,000.

—John D. Rockefeller's newly announced gift of \$2,000,000 to the Baptist church is in addition to his \$2,000,000 pledge to the Baptist vicary campaign fund. The latest gift goes to the aid of aged preachers and their dependents, and is made outright, while the victory campaign fund donation is contingent on the raising of \$4,000,000 by the church. It is now only \$500,000 shy of the mark.

—With the reconvening of the U. S. Supreme Court this week the government's big trust-busting campaign postponed on account of the war was on in full swing in its final stages. Seven cases of anti-trust prosecution are before the court for final decision, and the result of the suits undoubtedly will have a far reaching effect on American business.
