The Happiest Hour For the Tenant
 (Smithfield Herald.)

The happiest hour of the year for the tenant seems to be when he gets his stuff loaded on a wagon to move from one farm to another. His dog is roped to the hinder part of one of the wagons. He has gotten acquainted in one neighborhood this year and wants to go elsewhere for next year. He seems to forget that the time lost in hunting a new home and the time taken up in moving would help his farm very much if devoted to improvements. This annual moving of tenants is a hurtful policy for tenants, land owners and the land. Tenants can never make the best citizens until they take farms as their homes and stay at them. They should build up the land and should have good pastures and good orchards and all other things which make comfortable and desirable homes. We hope to live to see this annual moving policy abandoned.

 If Constipated, Bilious or Headachy, take "Cascarets"

Sick headache, biliousness, coated tongue, or sour, gassy stomach—always trace this to torpid liver; delayed, fermenting food in the bowels.
 Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.
 Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.
 A Cascaret tonight will surely straighten you out by morning. They work while you sleep.

HANDS, ARMS, LIMBS ASLEEP

And Was Run-Down, Weak and Nervous, Says Florida Lady. Five Bottles of Cardui Made Her Well.

Kathleen, Fla.—Mrs. Dallas Price, of this place, says: "After the birth of my last child... I got very much run-down and weakened, so much that I could hardly do anything at all. I was so awfully nervous that I could scarcely endure the least noise. My condition was getting worse all the time... I knew I must have some relief or I would soon be in the bed and in a serious condition for I felt so badly and was so nervous and weak I could hardly live. My husband asked Dr. about my taking Cardui. He said, 'It's a good medicine, and good for that trouble,' so he got me 5 bottles... After about the second bottle I felt greatly improved... before taking it my limbs and hands and arms would go to sleep. After taking it, however, this poor circulation disappeared. My strength came back to me and I was soon on the road to health. After the use of about 5 bottles, I could do all my house-work and attend to my six children besides."
 You can feel safe in giving Cardui a thorough trial for your troubles. It contains no harmful or habit-forming drugs, but is composed of mild, vegetable, medicinal ingredients with no bad after-effects. Thousands of women have voluntarily written, telling of the good Cardui has done them. It should help you, too. Try it. E 74

Which Is Better—Try an Experiment or Profit by an Oxford Citizen's Experience.
 Something new is an experiment. Must be proved to be as represented.

The statement of a manufacturer is not convincing proof of merit. But the endorsement of friends is.
 Now supposing you had a bad back, A lame, weak, or aching one, Would you experiment on it? You will read of many so-called cures.

Endorsed by strangers from far-away places.
 It's different when the endorsement comes from home. Easy to prove local testimony. Read this Oxford case:
 J. E. Adkerson, grocer, N. Broad St., says: "I have been using Doan's Kidney Pills off and on for a good many years and my back has pained a whole lot. My kidneys didn't act properly, either, and the secretions were scanty and scalding in passage. I was all played out. I began using Doan's Kidney Pills and they soon had me feeling a great deal better. Whenever I have been troubled in this way since, Doan's have always brought me good results."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Adkerson had. Foster-Millburn Co., Mfgs., Buffalo, N. Y.

ONE OF THE GREATEST NEEDS OF THE AGE

(Winston-Salem Sentinel.)
 If men were asked what, in view of the present unsettled conditions, is the greatest need of the day and what, in their opinion would do most to bring order out of disorder and to solve some of the vexing problems confronting the world, there would doubtless be a variety of opinions expressed. Some would naturally offer one panacea for present ills and some another.

But, no matter what diversity of views there might be we cannot but believe that many, in answering the question, would give, in one form or another, this solution: "More tolerance." More tolerance for others' views, more tolerance for others' frailties, is certainly one of the needs of the hour.

If men would try to put themselves in other men's places for a few moments, they might see some things very differently. If the man who is inclined to be bitter toward a fellow man would seek to get the other man's viewpoint, and to understand better his processes of reasoning, it might be quite beneficial.

Tolerance of positive wrong is not to be considered for a moment. There should be no tolerance of wrong, but even in such a case tolerance for the one who is wrong is not out of place.
 "Do unto others as if you were the others," is a good adaptation of the Golden Rule. "Think about others as if you were the others," is also good. The man who can get in a frame of mind where he strives constantly to see himself as others see him is not likely to be intolerant.
