

**PERSONAL ITEMS**

—Miss Annie Lee Holloway, of Durham, is visiting relatives and friends in Oxford.

—Born to Mr. and Mrs. Aubrey H. Moore February 10 a fine baby boy. Mother and baby doing well.

—Mrs. Charles A. Taylor left Monday for a two week's visit to relatives in Asheville.

—Mrs. G. B. Phillips and baby have returned from an extended visit to Farmville.

—The friends of Mrs. C. H. Parham will be glad to learn she is improving.

—Miss Fan McKimmon is spending some time at her home in Wadeville.

—Miss Estelle White has returned home from an extended visit to New York and Richmond.

—Miss Mary C. Owen has returned to Washington City to resume her studies.

—Miss Nannie Herring of Clinton has come to Statesville after a visit to her sister Mrs. A. H. A. Williams Jr.

—Mrs. W. W. Crowell, nee Miss Lillian Spencer, of Lincolnton, who was on a visit to her father, Capt. Frank Spencer, has returned home.

—Mr. Sim Meadows and family, good Granville County people who are now living at Verona, Wake county, are down with the flu. Miss Emma Meadows, of Oxford, went over Sunday to be with them.

—Miss Marguerite Capehart, who has completed a course at a Richmond business college, will resume her duties in the register of deeds office here March 1. Miss Capehart is a very valuable office assistant, and Mr. Powell is fortunate in securing the services of one so proficient.

—The many friends of Col. H. G. Cooper are glad to see him out after wrestling with old Col. Grippe for ten days. The good doctor says that Col. Cooper was a cheerful, obedient patient not addicted to worry and that it was the little magic silver spoon of Mrs. Cooper that brought him back to health and strength.

—It is announced by the war department that the 30th division (Old Henry) head the list in the awards of medals of honor. In other words Tar Heel soldiers and their associates showed more personal bravery in the face of the enemy than those of any other division. Twelve of the Congressional medals of honor, the highest honor medal, went to the 30th. That is, 15.4 per cent of the total awards made. The 27th division received 5. Seventy-eight in all were given.

**PEOPLE AND THINGS**

**Tobacco Plants**—Farmers are determined to have enough tobacco plants this year. They began burning plantbeds in December and are still at it.

**Cameron Morrison Club**—It is said that a Cameron Morrison Club will be formed in Granville County. The date and place will be announced soon, it is said.

**School House Burned**—The colored school house at Fairport was destroyed by fire last Friday. Defective flue is supposed to have caused the trouble.

**Card of Thanks**—The children of Mrs. Hunter Dunn wish to thank their friends for the sympathy and kindness shown during the illness and death of their mother.

**Regular Services**—There will be reaching at Enon and Hester on next Saturday and Sunday at the regular hours. Services conducted by the pastor, Rev. G. T. Tunstall.

**Rural Carrier**—The Civil service commission has announced an examination to be held in Oxford March 13 to fill the position of rural carrier at Stem. See Mr. N. M. Ferebee at the Oxford postoffice for particulars.

**Oxford Route 1**—Uncle Tom Daniel, one of the good men on Oxford Route 1, was in Oxford a few hours Monday. Nearly every family on Route 1, said Mr. Daniel, had been visited by the grippe, flu or colds, but the situation, he said, had greatly improved.

**Marriage Licenses**—Judging from the small number of marriage licenses issued by Register of Deeds Powell during the past few weeks, Spring has not yet turned the young men's fancy towards thoughts of love. Mr. Charles G. Powell, the handsome register of deeds, might start the ball rolling by taking out a pair of licenses for himself.

**Building Material on the Rise**—Building material prices are again showing an upward turn on the strength of the large volume of construction that is foreshadowed for 1920. Building prices do not usually undergo much change in February, but all signs indicate that the advance now being seen is only the beginning of the rise that will come within the next three months.

**Oxford Orphanage**—The Oxford Orphan Friend says: "There is considerable sickness at the Orphanage, but happily it is in a mild form. We have about 115 or 120 cases of flu, 3 of pneumonia, and about 20 of measles. So far no case is critical and hope that none will be. The sick are given the best of care and the situation is well in hand. Thirty-two children with flu have already gotten up and are convalescent. We feel almost justified in saying the peak of flu has been passed, as no case developed the day this was written."

**Trained Nurses**—The Oxford Orphanage is well equipped to care for the sick children at the institution. The trained nurses are Miss Mattie Booth, of Durham; Miss Berdie Denn, of Raleigh; and Miss Ramie Williams, of Durham. Assisting them are Miss Jennie Short, of Roanoke Rapids; Miss Edna McNeill, and Mrs. Hamilton, of Durham; Mrs. Swanna Stender, of Greensboro; Mrs. Robert Day, of Oxford; Mrs. Martha Hobgood (serving in the diet kitchen) of Oxford; Miss Mary Kennedy, of Liberty and Mrs. Tallie Nelms, of Spring Hope.

**Mrs. Nelson's Pets**—Mr. W. D. Brooks, of Sunset, who was on a visit last week to Mrs. W. R. Nelson, a sister of Mrs. Brooks who lives in Norfolk, relates an incident which attracted his attention. Mrs. Nelson has a fine flock of chicken, said Mr. Brooks, and her fine Maltese cat is a close companion and guards them day and night. He says that the rooster and the cat are close friends and that he saw them several times embrace each other affectionately. The cat and the chickens retire for the night and leave the chicken house at the same time in the morning.

**The New Maxwell**—The Oxford Motor Company, opposite the post office has just unloaded a car of 1920 model Maxwells. There are a few mechanical changes made in this new model that make it as easy to handle and as economical to operate as any car that is on the market today. Read their advertisement on the 5th page of this paper, or better call and let them demonstrate it to you.

**HISTORY OF GRANVILLE COUNTY IN WORLD WAR**

**Handsome Volume To Be Delivered In Sixty Days.**  
The publishers of "The History of Granville County in the World War" have had their troubles and delays like all other printers and publishers. First, there was a shortage of paper and mechanical help, followed by a shut down on account of sickness, which has delayed the volume for several months.

**WHO IS THIS?**  
In the large number of names of Granville County Soldiers who figured in the World War the name of one young man is wanted to complete the list. The publishers have his picture and they now want his name. Take a good look at the above picture and tell Mr. E. G. Hulse, at the Oxford Orphanage printing department, who it is.

Mr. Hulse, one of the publishers of the handsome volume, authorizes the Public Ledger to say that the book will be ready for distribution in 60 days.

**ROUNDTREE-ROBINSON**

The home of Mr. and Mrs. Herbert Roundtree, on College street, was the scene of a quiet wedding last Saturday evening at nine o'clock, when the eldest daughter, Miss Nannie Bland was given in marriage to Mr. George Parks Robinson. The ceremony was performed by the bride's pastor Rev. R. C. Craven.

The bride wore a handsome going away suit of midnight blue with corsage of roses and orchids. She was attended by her sister Miss Bedford Roundtree.

The groom is a prominent young business man of Charlotte.

Many handsome presents attest the popularity of the young couple. After a supper Mr. and Mrs. Robinson left for Charlotte where they will make their home.

Among the out of town guests were Mr. Moses Roundtree of Chapel Hill, Mrs. Gray Simpson of Norfolk, and Mr. and Mrs. Z. V. Robinson of Mount Airy.

"Tokay," the famous vineyard at Fayetteville, where light Virginia Dare wine is now made, has been purchased by William E. Housell and George Draper of Rochester, N. Y., who will use the vineyard for making grape juice and will establish a country club and recreation park at Green's pond, on the property.

**Keep The System Clean And You'll Be Healthy**

Elimination helps to avoid colds, headaches and epidemics

ANYONE who has watched himself knows there is nothing so important to health and comfort as regular daily elimination. Half of the minor illnesses of life are due to neglect of this. The five million men who were in our army know the importance the doctor attached to this function.

By all means try to regulate yourself by intelligent diet and exercise, but when these fail you will need a laxative, one as near to nature in its action as skill can make it. In the opinion of many thousands of good Americans such a one is Dr. Caldwell's Syrup Pepsin, which is a combination of simple laxative herbs with pepsin. It acts promptly, gently and without griping and will with certainty regulate any tendency to constipation that you may have.

Take it when you feel drowsy, dizzy or bilious, when you feel a cold or a fever coming on, when there is an epidemic, when you have eaten anything about which you are in doubt. It is at such times that you need to be free of poisons and of fermenting foods. You can buy Dr. Caldwell's Syrup Pepsin at any drug store. Thousands of families have it constantly in the house against emergencies.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.

A Voice From Sioux City, Iowa, says

**PE-RU-NA Worth Its Weight In Gold**

You cannot mistake the words of Mr. W. W. Northrup, of 908 Fourth Street, Sioux City, Iowa. He is enthusiastic about his present health and the merits of PE-RU-NA and wants everyone to know it. Here is a recent letter from him:—

"PE-RU-NA is worth its weight in gold and then some. I used to think it only a woman's remedy but have changed my mind. I had a cough, especially in the morning. After using half a bottle of PE-RU-NA was much better. I would cough up chunks of phlegm and mucus, my eyes itched and bothered me. Judging from the symptoms given in your almanac it was catarrh. My stomach is in much better condition since using your medicine."

"Use this testimonial, if you wish. Don't hesitate to advertise the merits of PE-RU-NA."  
(Signed) W. W. NORTHRUP.

There are thousands just like Mr. Northrup, skeptical at first but convinced by a trial of PE-RU-NA. DON'T BE AN UNBELIEVER. If your trouble is of a catarrhal nature, try PE-RU-NA, then tell your friends. It is fine after an attack of grip or Spanish Flu.

**DISCARDED AS DANGEROUS**

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

Take "Dodson's Liver Tone" Instead!

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up, better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

**The Secret of Success of Swift's Tobacco Fertilizers**

Bright Tobacco to be grown successfully requires entirely different combinations of plant food materials than are used for general crops.

Many years ago we realized this, and our Research Department developed the best that was known in special plant foods for tobacco fertilizers. Swift Tobacco Formulas were the result.

The success of our special formulas for tobacco is the talk of the Bright Tobacco Belt. Tobacco grown with Swift Tobacco Fertilizers brings top market prices.

Our customers enjoy the profit that comes from this extra yield and better quality.

The fertilizer supply is far short of the demand, and we urge that you order your needs of Swift's Tobacco Fertilizers at once from these selected brands. Play safe!
