BASKET BALL

Oxford Stars Win Over Wake Forest Team in Fast Game—27 to 17.
 The local team began its season with a clean victory over the College Team from Wake Forest last Friday night.

In no time during the game was there much doubt as to the outcome, both teams showed strong fighting qualities but lacked a little of the team work necessary for the best playing. Oxford was better in this respect and for that reason won.
 Games will be scheduled with good teams all of the season and the public may expect first class contests.
