

—A patient at a Vermont sanitarium is an anatomical history. All his internal organs are "on the wrong side." X-ray pictures revealed the fact that the stomach is misplaced, the liver on the left side, the heart on the right side and the appendix on the left. He is recovering from tuberculosis.

—The Waseda University of Japan has a baseball team which plans to play American colleges across the country from the Pacific to the Atlantic, meeting Yale and Harvard this summer. They have planned to postpone the Pacific Coast games until the close of the tour, so as to play the middle western and eastern colleges before they close.

 No. 420 Lv. Oxford for Henderson 5:15 p. m.

Not Northern Lights—
 The Aurora Borealis was visible here last Saturday evening soon after dark.

Recovering From Sickness—
 Mr. Garland Currin, son of Mr. W. T. Currin, underwent a successful operation for appendicitis at Brantwood Hospital Saturday.

Sheep Killing Dogs—
 It is reported that dogs without tags killed four sheep last week belonging to a colored man in the western part of Granville county.

Music Recital—
 The music pupils of Miss Mary Webb will give a recital at the Graded School Thursday night, May 19th at eight o'clock. Friends of the pupils and those interested in music are invited to attend.

Tire Prices Reduced—
 Watch for the announcement of the Auto Vulc. Co. in the next issue of the Public Ledger in regard to drastic reductions in the prices of the tires that they handle.

Card of Thanks—
 We wish to extend our many thanks to our kind relatives and friends, for the kindness shown us during the sickness and death of our dear wife and mother.—S. R. Puckett and children.

Attending Convention—
 Rev. Geo. T. Tunstall, filled the pulpit at the Oxford Baptist Church at the evening hour last Sunday in the absence of Rev. J. D. Hart, who is attending the Baptist Convention in Chattanooga, Tenn.

Close Call—
 While driving last Sunday evening, the buggy in which Mr. C. D. Stem, of Stem, was struck by an automobile at the eighth mile post on the National Highway was completely demolished. Mr. Stem was considerably shaken up but not hurt.

Card of Thanks—
 We desire to take this method of thanking our many friends and neighbors for the many deeds of kindness and sympathy shown us during the sickness, death and burial of our darling baby. May the good Lord bless and help each and every one of them.—R. H. O'Brian and family.

Cow Devours Grindstone—
 Mr. Conrad Walters has a very fine cow with a ravenous appetite. When he went out into the yard the other morning and found the grindstone missing he suggested to Mrs. Walters that the cow ate it. "For the land's sake," said Mrs. Walters, "just what I had been expecting."

Littleton Will Join League—
 Although Littleton is not in the Central Carolina League, the baseball team from that place has been tested out by the Henderson team, the score being 6 to 4 in favor of Henderson. There is a prospect that Littleton may come into the league in the place of Chase City, which is understood to have dropped out of the running, declaring that they would be unable to trot to the end of the season.

Rudely Constructed Still—
 Officer Hutchins and Deputy Davis captured a rudely constructed still in Salem township last Friday. The kettle was fashioned out of boards about three feet long and one foot wide. The corners were fastened with screws, and across the top and bottom of the box was a sheet of heavy galvanized tin. The still had been in use for a long time, but the wooden ends and sides of the kettle showed no effects of the fire. Ordinary gas piping and automobile tubing were used for the cooling process.

A Good Disinfectant—
 At this season of the year it is well to scatter builder's lime on the ground under and around the dwellings and out houses. It should be used freely about the premises and in the poultry houses and on the poultry roasts. It can be used where hogs sleep and in various places around the premises. It can be used to advantage on fruit trees and on cabbage to destroy lice and worms. It can be used to destroy worms on collards and to retard the work of the terrapin bugs. Do not try to keep house without lime as it can be used in many ways.

YOUNG MEN—WE HAVE JUST received another shipment of Hart Schaffner & Marx suits. Come in and look them over.

Rheuma Drives Out Pain
 If you want relief from agonizing rheumatic pains (no matter what form)—swift, gratifying relief—take a small dose of Rheuma once a day for a short time. J. G. Hall sells it on a money-back guarantee. Powerful but harmless.

LOVELY RECEPTION AT THE PRESBYTERIAN CHURCH

The Woman's Auxiliary of the Presbyterian Church gave a lovely reception on Monday night in honor of Miss Ellen Graham a returned missionary from Korea, and the members of the Graded School Faculty and the Orphanage Faculty who are affiliated with the Presbyterian Church. The Sunday School rooms were attractively decorated with pink and white roses and other cut flowers. The punch bowl was presided over by Miss Marie Stark and Helen Clement where elegant fruit punch and cake were served. The receiving line consisted of Rev. and Mrs. S. R. Oglesby, Jr., Mrs. Salls, Misses Fan McKinnon, Ella Clement, Mary K. Webb, Mabel Fate, Bemis, Lasley, Allen, Maggie and Annie Morton, Bessent, Lyenly, and Mrs. Jollys. Miss Graham gave an informal talk on her work in Korea and several attractive selections were given by children from the Orphanage. Beautiful solos were rendered by Misses Bert Hutchins and Hazel Thompson and entertaining readings by Mrs. Woodall.

Baby Clinic—
 Remember the Baby Clinic will be held Wednesday and Thursday of this week in the Britt building.

Will You Have Youth at 60?

The vitality and pep that characterizes many men of today, is due to none other than the protection of that youth. Give your body the same attention you would your automobile or your sewing-machine. Give it the vitalizing fuel and energy-generating ingredients it needs, for it runs down just like any engine and will show signs of wear unless the necessary preventive steps are taken. Our message to you is: Get acquainted with Dalys Tonic. It contains the iron your blood needs, the hypophosphite that soothes your nerves. The daily habit of Dalys will do more to improve your appetite and build the body tissues than any tonic known. At your druggist's in a palatable tasteless form.

Get that Dalys Habit
 Sold by J. N. PITTMAN, Oxford, N. C.

WHERE ARE THE GREAT PREACHERS?

(Charlotte Observer)
 The Presbyterian Standard quotes from Doctor Ellis, the International Sunday School writer, who would be classed by the secular press in North Carolina as a "blockade preacher," as "one who is inclined to find the flies in the ointment where preachers are concerned," not because he has any grudge against them, but because "his standard for them is higher than that of the average observer," and who is maintaining that there has developed a lack of great preachers, and telling why—in his opinion. "What people want from the pulpit," Doctor Ellis has said in criticism, "is information and inspiration concerning a living God, in satisfaction of the deepest needs of their nature. They may be temporarily entertained by sensationalism and by lectures on current events, although they know that they may get better entertainment, even of the

same sort, elsewhere. One of the pathetic sights of our day is the spectacle of clergymen turned into vice raiders, municipal reformers, prohibition enforcers, lyceum lecturers, board and society secretaries, life-insurance agents, and almost everything else. To make the eternal timely, and to bring the infinite near, and to introduce burdened and dissatisfied men and women to the sufficiencies that lie outside the realm of physical senses—this is the mission of the minister."

—A Louisiana Negro convicted of murder in the first degree, will serve a life imprisonment sentence instead of hanging. The sheriff forgot the date of the execution and the board of pardons contended that the Negro's life had been placed in jeopardy once and commuted the sentence to life imprisonment.

—Desiring to improve the health, and the life chances of children, Portland Oregon, is planning to observe a "well babies' week."

Old Glory is now on the Seven Seas

Ship and Sail under the Stars and Stripes to all parts of the world

YOU can now travel, or ship your goods, to any part of the world on American owned and American operated ships, flying the American Flag. American ships are modern, scientifically designed and constructed, new ships built for satisfactory service.

American ships will carry you in comfort to South America, England, Europe, the Mediterranean and the Far East. And the further from home you go, the more of a thrill you'll have to see the Stars and Stripes floating above your head.

President Harding says:
 "We know full well we cannot sell where we do not buy and we cannot sell successfully where we do not carry."
