Every family should keep this preparation at hand ready for instant use when needed. Severe attacks of colic and cholera morbus often prove fatal before medicine can be procured or a physician summoned. The uniform success that has attended the use of this remedy and the prompt cures which it has effected have made it a staple article of trade.

**MINISTER'S ADVICE**  
**WBAS BLESSING TO HER**  
**Mrs. Kelley Thought She Was Beyond Hope—Says Tanlac Restores Her To Splendid Health.**  
 "I had long thought that no medicine could do me any good; but Tanlac has done for me in just a little while what I had tried for years to get other medicines to do my enthusiasm for it is unbounded," was the statement made recently by Mrs. G. M. Kelley, wife of G. M. Kelley, well-known employee of the West Virginia Pulp & Paper Co., residing at 420 Highland St., Covington, Va.  
 "My stomach pained and worried me all the time for four years and everything I ate gave me awful cramps. At times I couldn't retain a bite of food, and even a crust of dry bread would nearly throw me into spasms and I had such gagging spells I was afraid I would burst a blood vessel. I was so nervous I couldn't sleep, and my forehead, neck and back hurt awfully. Sometimes I couldn't straighten my neck, and my back was drawn so at times I couldn't stand up straight. Finally I got so bad off I just had to quit doing any of my housework and spent most of my time lying down."  
 "Well, after everything that seemed possible was done for me, the Rev. W. C. Richardson, a Methodist minister, told us he thought Tanlac was what I needed. So I started taking it and while on my first bottle I got so much better that I knew Tanlac was just what I had been needing, and now I'm in such fine health I'm really enjoying life for the first time in years. I have a wonderful appetite, never have a touch of indigestion, and can keep at my housework all day long without sitting down, except at meal time, and still feel good. Tanlac is simply grand."
