—Chloroform sprayed from atomizers is the latest development in chicken stealing. Chicken thieves near Chicago spray the interior of the chicken coops with the anesthetic and then enter and collect the dazed fowls. By this means they are able to operate on a large scale undisturbed.

The Test That Tells

Is The Test Of Time. Many Oxford People Have Made This Test.

Years ago this Oxford citizen told in a public statement, the benefit derived from Doan's Kidney Pills. The statement is now confirmed—the testimony complete. Instances like this are numerous. They doubly prove the merit of Doan's Kidney Pills. Can any Oxford reader demand more convincing proof? It's Oxford testimony—it may be investigated.

J. L. Garrett, grocer, 62 Spring St., says: "I have used Doan's Kidney Pills for kidney complaint and lame and aching back and found them to be a most reliable remedy. They can be depended upon to act promptly. I, and others in my family have used them with the best of results, and I gladly recommend them."

Over seven years later, Mr. Garrett said: "I still recommend Doan's Kidney Pills as highly as I did before. Whenever I don't feel just right, a few Doan's never fail to bring me prompt relief."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Garrett had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Sour Grapes.

(Staeville Landmark)
 Thought there was a catch in it. When they "put out word" from Washington that each family would be allowed to make 200 gallons of wine for home consumption, the matter of grape-growing at once assumed an importance hitherto unknown. Now comes the other and further information that it is non-intoxicating fruit juice only—ordinary grape juice—that may be manufactured in any amount up to 200 gallons for each family. Any sort of home brew that has a kick in it may not be made without incurring the pains and penalties provided by Mr. Volstead Plans to grow more grapes and build wine presses will be abandoned.

LOOT OF 1900 BACK TO CHINA

Astronomical Instruments Carried Off by German Troops Restored to Peking.

Peking, China.—The astronomical instruments which were looted from Peking by the German army in 1900 and removed to Potsdam have been returned to China. They were sent back in accordance with the provisions of the treaty of Versailles, by which Germany undertakes to restore to China within 12 months from the coming into force of the present treaty all instruments which her troops in 1900-1901 carried away from China and to defray all expenses which may be incurred in effecting such restoration, including the expenses of dismounting, packing, transporting, insurance and installation in Peking.

The theft of these instruments was the subject of much adverse comment in Europe, America and China, at the time, and even in Germany a certain portion of the press vigorously denounced their "appropriation" and the project of erecting them in front of the Orangery in Sans Souci park, where Prince Chun resided during his penitential mission. Even the Berlin Neuste Nachrichten quoted with apparent approval the strong protests which had been made by other journals, and expressed the hope that a prompt official explanation would be forthcoming. The Cologne Gazette made a vigorous protest, so vigorous, indeed, that the German government, to quiet it, announced that the German minister in Peking had been instructed to "buy" the instruments after the offer of the Chinese government to make a present of them to the German emperor had been declined.

The instruments adorned the Potsdam Orangery until their restoration to China was ordered by the victors in the great war. Thousands of visitors to the world-famous observatory in Peking had noticed the empty plinths and had been reminded of the vandalism in 1900. Chinese newspapers here have remarked that the return of the looted instruments is the sole benefits that China has derived from participation in the war.

Long Service in the Vineyard.

(From The Monroe Enquirer)

One hundred and twelve years—a long time that is—but it is not longer than father and son served in the ministry in Union County. Rev. Edmund L. Davis, one of the pioneer Baptist preachers in this part of the State, was in the ministry sixty-one years. His son, Rev. C. A. Davis, of Olive Branch, has been in the active ministry forty-years, making an aggregate term of service for father and son of 112 years. That record is not surpassed in the State probably not in the whole country.

Tired

"I was weak and run-down," relates Mrs. Eula Burnett, of Dalton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't ever hungry. I knew, by this, I needed a tonic, and as there is none better than—

CARDUI

The Woman's Tonic

... I began using Cardui," continues Mrs. Burnett. "After my first bottle, I slept better and ate better. I took four bottles. Now I'm well, feel just fine, eat and sleep, my skin is clear and I have gained and sure feel that Cardui is the best tonic ever made."

Thousands of other women have found Cardui just as Mrs. Burnett did. It should help you.

Tanlac Accomplishes Remarkable Results In Geo. H. Nickels Case

Prominent Wisconsin Man Says Tanlac Promptly Relieved Him of Bad Case of Stomach Trouble of Six Month's Standing—Gains 27 Pounds and Feels Fine As a Fiddle.

GEORGE H. NICKELS

It is an unquestionable fact that Tanlac is now being more widely endorsed by well known men and women than any other medicine on the American market. One of the latest to testify is George H. Nickels, well known lecturer, residing at 227 Wells St., Milwaukee, Wisconsin.

"Tanlac has not only completely restored my health, but I have actually gained 27 pounds in weight," said Mr. Nickels in referring to the remarkable benefits he had derived from the medicine.

"For something over six months, my stomach was very badly disordered. I suffered terribly from indigestion and dyspepsia. At times I would be in great distress and I would invariably experience an uncomfortable bloated feeling for hours after eating. I had no appetite scarcely and the little I ate would often make me deathly sick. My head ached until I felt like it would burst and I was so nervous I trembled like a leaf. When I got up in the mornings, I was so weak and dizzy, I couldn't trust myself to walk around and I just hurt all over.

"Tanlac has brought about a wonderful change in my condition for I am now enjoying the very best of health. My appetite is splendid. I relish my meals. Everything agrees

with me perfectly. The nervousness, headaches and dizzy spells are all gone and I never have an ache or pain. I am only too glad to tell others about the wonderful good Tanlac has done. It has no equal."

Tanlac is sold in Oxford by The Lyon Drug Co. and by all leading druggists.
