The Lone Girl
 Deputy Conrad Walters, keeper of the county jail, has as his guest only one prisoner, a colored girl who is serving a two months sentence.

Oxford Baptist Baracas
 At the semi-annual meeting of the Oxford Baptist Baraca Class, held last Sunday morning, Mr. Stanley Averett was elected president, Mr. F. W. Hancock, Jr., vice-president, and Mr. H. H. Murray secretary. The class still retains Judge Devin as its teacher.

Too Much For One Mule
 It was recently stated in the Public Ledger that Mr. K. E. Parrott, one of the best farmers over on the Granville-Vance county line, produced among other things 4,762 pounds of tobacco and 75 barrels of corn with one mule and the help of two small sons. Mr. H. E. Crews advises the Public Ledger that 27 barrels of corn is the correct amount produced by Mr. Parrott.

Special For Christmas

The Harris-Mitchell Co. will announce in the next issue of the Public Ledger a list of Christmas Specials. They have just received a line of high grade clothing that they will sell from \$12.50 to \$18. Watch for their advertisement.

Holiday Lawlessness

It is generally understood among the moral stunted in this community that it will be an easy matter for them to get all the corn liquor they want during the Christmas holidays. They state that the liquor will be made in Granville county, and that prices have been quoted to them as low as \$7.50 per gallon.

A Pertinent Question

Our little friend around the corner wants to know how Santa Claus gets into houses heated by steam or by stoves. Easy enough, in the absence of chimneys, or notes not big enough to crawl through, Santa Claus may still take to porch climbing and other untraditional methods of Yuletide invasion.

Big Still Captured

Officers Hobgood, Lyon, Curl and Hutchins captured a big still near Brassfield church early last Sunday morning. There was two thousand gallons of fermented stuff ready for the kettle. The plant was capable of turning out 200 gallons of liquor every twenty-four hours, said an officer.

Gone To His New Charge

Rev. L. M. Hobbs, who for the past three years was the faithful pastor of the Creedmoor Baptist Church, has gone to Star, N. C., where he has accepted the pastorate of two strong churches. Since coming to Granville three years ago he has served at Concord, Tally Ho and Pleasant Grove Churches. He made many warm friends in Granville.

Bethel School

There will be an interesting program of exercises at Bethel school Wednesday evening, December 21, at 7:30 o'clock, to which the public is cordially invited.

Almost Too Late

It is getting almost too late for the "shop early" slogan. Christmas is almost upon us. But the usual congestion of the two or three days before Christmas can even now be alleviated if shoppers will make good use of this week. All of the Oxford stores have their Christmas goods on display and it is really an advantage to buy before the stock is picked over.

Piedmont Flower Shop

Mrs. N. W. Cobb, who has managed Fallon's store, in Durham, for the last four years, wishes to announce to the Oxford people that she is now in the business for herself, under name of Piedmont Flower Shop, Inc., and will be glad if you will pay her store a visit when in Durham, or send her your orders for flowers for any occasion, and every order will have her personal attention.

SENTENCES IS GIVEN IN HAZING CASES

Raleigh, Dec. 12.—The recent Wake Forest College hazing episode, which resulted in the shooting of a sophomore by a freshman because the latter resisted the hazers, reached the Wake county superior court today when J. L. Sanders and O. B. Sikes, expelled sophomores, pleaded guilty of carrying a concealed weapon and was fined \$50 and costs, while the others were given a suspended judgment of two years on payment of costs.

AMUSEMENTS

THE PROGRAM THIS WEEK

The Orpheum presents again this week a number of leading stars. The attraction for tonight is ore of Rupert Hughes's sparkling comedies, "Dangerous Curves Ahead," which contains a valuable lesson for old and young.

The attraction for tomorrow night is "Two Wise Wives," in which romance abounds.

Thursday night Elaine Hammerstein will appear in "Remorseless Love," a story of the mountains where love and hate is strong.

Of especial interest is the appearance of Elsie Ferguson Friday, matinee and night, in "Sacred and Profane Love," a beauty picture that carries straight to the heart. Also "White Horseman."

Saturday matinee and night will be seen "The Woman God Changed," a Cosmopolitan production in seven acts. Also "Toonerville Tactics."

Lumpkin-Worsham

Miss Louise Lumpkins, daughter of Mr. and Mrs. J. E. Lumpkins, of Stovall, and Mr. A. T. Worsham, Jr., were married on Sunday night at 7:30 at the home of Rev. E. G. Usry. The ceremony was performed by Rev. E. G. Usry. The bride and groom have many friends in Oxford who wish them much happiness in their wedded life. They will reside in Oxford with the parent of the groom.

Reefer's "Moregg" Tonic "Makes Layers Out of Loafers"

Read this from a Granville County man:

TO WHOM IT MAY CONCERN:
 I purchased some "Moregg" Tonic and in a few days I was getting twice as many eggs as before. It is a wonderful egg producer and I want to recommend it to all who keep chickens.

(Signed) J. L. OAKLEY,

West Oxford Sunday School

Cradle Roll Day was observed by West Oxford Sunday School last Sunday morning. Recitations and songs appropriate to the occasion were given by the older members of the school. A class of nine boys and girls attired in cap and gown composed the "graduating class" of four-year-olds who were promoted from the Cradle Roll to the Beginners Department. The day was ideal. A fine attendance was recorded and a splendid offering made.

Ten Thousand Seals Sold Here

The Christmas Seal Sale is being pushed vigorously by the canvassers. Over 10,000 seals have been sold in Oxford and it is earnestly hoped that over \$300 will be realized from the sale this year. On Monday morning Rev. J. D. Harte made a fine address at the Colored Graded School in the interest of this Sale and trying to promote health ideas among the pupils. Every one who buys a Seal helps to raise funds to be used in Oxford to fight this "White Plague" among us.
