**Faith In Santa Claus**—  
 The poorer the child the greater the faith in Santa Claus. Which, in itself, is a very good reason for Christmas charity.

**Christmas Music**—  
 Those who love music and want to get the true Christmas spirit in their souls should attend church next Sunday morning.

**Recovering From Injuries**—  
 Jonny Hamilton who was painfully injured in an accident last week is rapidly recovering from his injuries at Brantwood Hospital where he was carried for treatment.

**Card Of Thanks**—  
 I wish to thank my many friends for their kindness to us during the illness and death of my husband. May Gods richest blessings rest on them.—Mrs. L. F. Day.

**Birds That Roost High**—  
 Christmas turkeys seem determined to fly as high as the Thanksgiving birds. Those who can't hit 'em with a pocketbook may, as usual, fall back on pork chops.

**Colored People Wed**—  
 Taze Baskerville and Sarah Wilkerson will be united in marriage on next Wednesday night at 7:30. Both of these colored people are highly respected by their race in the community.

**Your Donation**—  
 Make a donation to one of the Christmas funds, by all means, but do not stop there. Try to put the personal element to some extent into your Christmas charity this year. Go in person to see some one in distress, if possible. That will give Christmas a new meaning.

**Inferior Gas Service**—  
 Those of us who depend upon gas for cooking and heating purposes were very much worried during the cold snap last Thursday. There was no gas at all during the forenoon and during the afternoon it was rather weak. The Gas Company hopes it will not occur again.

**Begin the New Year Right**—  
 Let's all begin the new year right, and make a record snowy white. Let's drive our cars 12 miles an hour, and not show off their pep and power  
 By stepping fierce on the gas and slaying people as we pass."

**Clever Children**—  
 A very enjoyable entertainment featuring Santa Claus and the Christmas idea was given at the West Oxford School last Wednesday evening. The children showed splendid training and reflected great credit on their faithful teachers. West Oxford is proud of the splendid work they are doing.
