Orders by telephone or by mail are solicited. Few people realize that with the exercise of proper care they can be served as well in their own homes as though they made a personal call to our store. No extra charge is added to the cost of the goods for the acceptance of mail or phone orders or the delivery of the goods themselves. The service, however, is complete in every respect in its ability to cap- ably select goods... quickly deliver them and properly serve you to your satisfaction. Let us have more of your mail and telephone business. Don't make a trip to the drug store unless you have to. We are as willing to serve you in one place as in another.
