

Guilford Figures.
(High Point Enterprise.)
Going to the tax lists, co-operative crop reporting service of the State has analyzed the farm conditions in

Guilford County. This analysis shows that the principal crop of this county, judging by the acreage devoted to it, is corn. Wheat is second and hay is third. Tobacco, the "money" crop, is fourth.

ALIMONY MONEY

Postage On One Package Amounted To \$16.90.

Norfolk, Va., March 18.—Rusty nails, carpet tacks, tin cans and about two handfuls of rubbish were mixed with 2,000 pennies which a Norfolk man forwarded his divorced wife for alimony money due. The pennies and other articles were wrapped neatly in a package, sealed and sent by registered mail to counsel for the woman. Postage on the package amounted to \$16.90. Records at a local court show that the woman was granted a partial divorce from her husband in 1915 and given the custody of her minor child. The decree also embodied a penal order requiring the husband to pay \$20 per month alimony for the support of the child.

OF MEN WHO ARE NOW IN THE WASHINGTON SPOTLIGHT

Sen. Thomas J. Walsh

Democratic Senator from Montana who is credited with having dug up evidence which resulted in Tea Pot Dome and Navy Oil Reserve oil lands scandals. He is now boomed as a Democratic Presidential "Dark Horse."

Thomas James Walsh, from Montana, was born at Two Rivers, Wis., June 12, 1859. He was educated in the public schools and graduated from the University of Wisconsin. During his early manhood he was a school-teacher. He located in Helena, Mont., as a lawyer in 1890, and immediately became identified with the Democratic organization. He ran for Congress in 1906 and for the United States Senate in 1910. He was elected to the Senate in 1912 and re-elected in 1918. He has a national reputation as a thoroughly grounded lawyer and is an authority on the United States Constitution. He is noted for his initiative and perseverance and never starts anything he thinks he can't finish. He is acknowledged to be chiefly responsible for the progress of the Teapot Dome scandal inquiry. He is respected by all his colleagues in Congress and admired by many. Mr. Walsh is a widower and a Catholic. He wears a stubby mustache, stiff bosomed white shirt and suspenders.

SUPERINTENDENT TURNS THE TABLES ON MALE WITNESSES

(Welfare Bulletin)

There are usually two or more parties in cases of immortality, and it is well if the penalty therefore be shared, in the opinion of Mrs. Anna B. Lewis, superintendent of public welfare for Pasquotank County.

In Elizabeth City recently there was a case in which a young man was trying to prove that he was not the father of a girl's illegitimate child by establishing the fact that she had been promiscuous. Several other young men testified that they had had immoral relations with the girl, and that, hence, the paternity of the child was uncertain. Whereupon, Mrs. Lewis had suit brought on charges of prostitution against all the young men who had testified against the girl, and won her case. Such turning of the tables is unusual, as the only penalty with which such witnesses are generally connected is that which their testimony inflicts upon the woman.

UNCEASING MISERY

Some Oxford Kidney Sufferers Get Little Rest Or Comfort.

There is little sleep, little rest, little peace for many a sufferer from kidney trouble. Life is one continual round of pain. You can't rest at night when there's kidney backache. You suffer twinges and "stabs" of pain, annoying urinary disorders, lameness and nervousness. You can't be comfortable at work with darting pains and blinding dizzy spells. Neglect these ailments and serious troubles may follow. Begin using Doan's Pills at the first sign of disorder. Thousands have testified to their merit.

Proof in Oxford testimony: Miss Nona Saunders, 20 Mill St., Oxford, says: "My back bothered me, especially during the day. When I stood for any length of time, my back ached and when I stooped to pick up something, a sudden catch took me through my kidneys. Even at night I had these aches and pains and didn't rest well. My kidneys were irregular in action, also. Finally a member of my family told me to try Doan's Pills and I lost little time in getting a box at Hall's Drug Store. In a short time, the trouble left and I have been in the best of health ever since."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Miss Saunders had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Shy Of Washington.
(New York Post.)

Edwin Denby had to go. Public confidence in him had gone. He has relieved the Administration of considerable embarrassment. However, as he stepped down and out yesterday his successor had not been chosen and the President was finding it difficult to find a Naval Secretary. There is much reason for that difficulty. Washington has become rather appalling to the man of ability who has no great craving for public

life. Men are dubious now about stepping into the Washington maelstrom. They share the general disgust of their fellow Americans for much that has gone on and is going on in Washington.

O Wonderful Horse!

"O HORSE, you are a wonderful thing; no buttons to push, no horn to honk; you start yourself, no clutch to slip; no spark to miss, no gears to strip; no license-buying every year, with plates to screw on front and rear; no gas bills climbing up each day, stealing the joy of life away; no speed cops chugging in your rear, yelling

summons in your ear. Your inner tubes are all O. K., and thank the Lord, they stay that way; your spark plugs never miss and fuss; your motor never makes us cuss. Your frame is good for many a mile; your body never changes style. Your wants are few and easy met; you've something on the auto yet."

This "Wonderful Horse" and the celebrated "Chase" Buggy and Surrey are indispensable to the farmer, for, although he may own an automobile, the thing may be out of commission when he needs it most. They are unreliable and very expensive, in more ways than one. Get back to old Dobbin and the "Chase" Buggy and Surrey, then you can lay by in store for a rainy day. A thing the average man in country or town cannot do, if he owns an automobile.

If you are debating the question, as to whether to buy a buggy or a car "take a fool's advice" and buy an Oxford "Chase Buggy" or Surrey.
