Vote For J. W. Bailey!

He owes nothing to the railroads.
 He owes nothing to the big corporations of the State.
 He owes nothing to the present administration.
 He owes nothing to the machine in politics.
 On the contrary, all the foregoing are fighting him.
 If as Governor, he will have no power, why do the foregoing powers, in concert, fight him?

Does Mr. McLean owe anything to the Atlantic Coast Line Railroad? For 12 years he drew \$4000,00 annually as a dummy president of a short line railroad belonging to the Atlantic Coast Line Railroad, while the people and the Interstate Commerce Commission thought it was an independent road.

Did Mr. McLean vote with the farmers in May 1920 when he voted to discontinue loans by the War Finance Corporation for agricultural exports? No, and 10c cotton and 20c tobacco and the consequent bankrupt farmers is the answer that he made when the farmer's interest was committed to his keeping.

Mr. Merchant, do you think Mr. McLean will put the same fight for just freight rates that Mr. Bailey will when he is under such obligations to the Atlantic Coast Line? He can't, and you know it.

Mr. McLean, by all the ties that bind, will belong body and soul to the railroads, big business and the machine politicians of the State.

If you want an independent, free moral agent as governor of North Carolina, vote for J. W. BAILEY.
