DIPHTHERIA ABROAD IN GRANVILLE CO.

THE SCHICK TEST IS BEING APPLIED

Our Diligent Health Officer Points Out What Should Be Done At Once.

The public is warned that the diphtheria carrier is still abroad.

The only way to find him or her is get a laboratory culture and examination.

Remember the carrier can give your child diphtheria about as easily as a sick case can. Not everybody can be made to suffer from diphtheria. Everybody may take the germ of this disease, and if that person taking it have antitoxin in his blood, either naturally or by acquiring it, he or she will have no symptom of the presence of the germ in his or her throat, but can give the germs out to others as easily as if they had the symptoms of sore throat and fever.

These are serious facts; and they account for the spread of the disease with no known contact with a case. What will you do about it for protection?

Here is a way now offered in the schools for protection: Have all children Schick tested. This tells with certainty whether the boy or girl has this protective antitoxin in his or her blood. If after the test it is shown that the boy or girl does not have the protection of this natural or acquired antitoxin in his or her blood, have that one take the three doses of Toxin-Antitoxin which causes the blood to begin to develop the protective antitoxin.

The value of the Schick test is that it reveals who needs protection with absolute certainty. It is not painful to take. There is no reaction from it except in a small spot which is without inconvenience. This procedure will have giving the toxin-antitoxin to any but those who need it, an important item both to the individual and the State.

During the week beginning December 1 next, the State Department of Health will show moving pictures on Health subjects including protection from diphtheria. Dates given later for all consolidated schools. J. A. MORRIS, C. H. O.

SOL WILLIAMS COOPER

In the early morning hour, on Nov. 20th 1924, at his home in Fayetteville, the spirit of Sol Williams Cooper entered into rest.

God in His Mysterious Wisdom has taken from our midst one who was universally loved and held in highest esteem in his adopted home. Many hearts are saddened over the thought of a life cut down so full of joy and hope.

Who can judge the influence of an unselfish life? To his devoted wife and children he has bequeathed the priceless gift of his lasting influence, interwoven always with love, gentleness and sympathy.

To the brothers and sisters he has left the remembrance of joyous companionship and counsel. To the members of a younger generation, deep sorrow has come because of the loss of one they honored and loved.

His friends will miss his merry greetings, his witty sayings and his engaging personality. To them, he was ever loyal and true. A fearless advocate, he was always deeply interested in the affairs of his friends.

Coming to Fayetteville, 16 years ago to assume the Presidency of the National Bank, the deceased had been closely identified with the business social and church life of the community. At the time of his death he was President and general manager of the North Carolina Cotton Compress and Warehouse Company, and also President of the Cotton Products Company of this city.

He had spent the greater part of his life in Oxford where he was born in 1865, being the son of the late James Carrowford Cooper and Lucy Williams Cooper.

In 1885 he was married to Miss Willie Wiggins of Halifax Co. who survives him with the following sons and daughters: J. C. Cooper and Sol W. Cooper, Misses Allene and Elizabeth Coper of Fayetteville and Mrs. S. Rhodes Moffett of Ashboro, Mrs. John M. Ross and W. W. Alston of Oxford adopted daughters and son. He is survived by the following brothers and sisters: Col. Henry G. Cooper of Oxford, C. J. Cooper of Fayetteville, Mrs. Charles G. Elliott, Mrs. W. H. White and Miss Bell Cooper of Oxford.

After an impressive service in the First Presbyterian Church Fayetteville conducted by his pastor, Dr. W. E. Hill, the remains were carried to Oxford, accompanied by a large concourse of friends, who would pay a last tribute to their departed friend.
