Where you will find one of the best tobacco markets in this section of North Carolina and Virginia . . . plus a complete banking service and a wide variety of stores filled with quality merchandise for farm, home and family at popular prices.

The Oxford National is proud of the part they have played in the tobacco industry in Granville County. We finance both the growing and marketing of the crop, and safeguard the funds of many hundreds of farmers throughout this section.

The Oxford Tobacco Market opens Monday, September 15, and we extend one and all a cordial invitation to use the facilities of The Oxford National to safeguard the "fruits of their year's labor."
