That was the word yesterday from Acting Postmaster Arch Taylor, who stated that the office would be open tomorrow. Saturday, and on the following Saturday, Dec. 22, from 7 to 5:30 p.m. The office customarily closes at noon Saturday. The money order window will close at 5 on both of those

And something has been added. The office will be open Sunday, Dec. 16, between the hours of 2 and 5 p.m., Taylor said, for the convenience of patrons, some of whom because of their own employment hours, are unable to visit the office during the week days.

Taylor stated a review of the volume records of the office for earlier years show that the we k immediately before Christmas is usually the busiest at the office. He suggested that patrons obtain a supply of stamps in advance of their needs and to make certain their out-going mail is correctly, adequately and properly addressed and that parcels are well packed and securely closed for the rapid handling that becomes necessary in the holiday rush

Cash Payment Is In Addition to Insurance—Library Gift of \$500 Authorized

An annual dividend of three per cent, which is in addition to life insurance coverage carried on members' investments and loan balances payable as of Dec. 31, was authorized at a meeting of directors of the Oxford Credit Union here Tuesday night.

Another action of the board was approval of a gift of \$500 for the current drive of Friends of Granville County Library for building and equipping a new library facility President D. K. Walker, Secretary-Treasurer Fred Webb and other members of the board expressed strong approval of the over-all effort to obtain adequate library facilities for the county.

Webb said about \$34,000 would be equired to pay the dividend. He also noted that during the past year the Credit Union's steady growth since organization 25 years ago has been continued.

At the end of November, Oxford Credit Union had \$1,167,867.31 invested in shares, up from \$1,082,-825.44 the previous year.
