Berea 3rd Grade Pupils Thrilled With Train Trip

BEREA, May 23 — Third grade students here have now completed one of the experiences which are a part of their "graduation" and advancement to grade four.

They have been on a train ride, a first for virtually all of them, but not for their teacher, Mrs. Homer C. Triplett. She has been accompanying her students for several years each spring on a trip from Henderson to Norlina.

Mrs. William Currin, Geneva Adcock and Albert Slaughter joined Mrs. Triplett last Friday in transporting the students to Henderson. There the 19 pupils climbed aboard the Seaboard and zipped along to Norlina where they climbed off, with the conductor helping, and made the trip back home.

Third grade pupils making the trip were Raymond Adcock, Jeff Averett, Charles Blalock, James Cuts, Stanley Daniel Jr., Donald Denny, Bobby Morris, Larry Slaughter, Bob Slaughter, Sam Tingen, Ray Whit, Martin Moore, Rex Warren, Blanche Clayton, Wanda Currin, Patsy Gray, Rebecca Humphries, Teresa Inscoc and Dorothy Morris.

Japanese Garden Forms Background For Elegant Party Honoring Seniors

By DIANE GREEN

Oxford High gym was transformed into a Japanese Garden for the junior-senior party May 19.

Across the back of the gym was a Japanese mural, depicting a famous mountain and river of Japan. There were two tea houses, one decorated in red with a rock garden in front, and another trimmed in orange.

The dance floor was flanked with pine trees and baskets of flowers to complement the Japanese scene.

Refreshments consisted of sandwiches, cake squares, green punch and peanuts. Favors were in Japan style: miniature fans for the girls and swords for boys.

"A Japanese Fairy Tale," narrated by Betty Adams, Sallie Thomas was Tanabata, and Kenneth Cash, Hikaboshi, lovers for whom the path of true love ran not too smoothly, and Bryson Woodlief, the Emperor. Several dances and songs were presented. One was the Umbrella Dance by Brenda Currin, Donna Reed Daniel, Joy Forsythe, Linda Sadler, Douglas Thomas, and Alma Watkins.

"Love, Look Away" was sung by Sallie Thomas and Kenneth Cash. Members in the Scarf Dance were Donna Reed Daniel, Linda Sadler, and Alma Watkins. Three girls sang "Three Little Maids from School": Brenda Currin, Joy Forsythe, and Douglas Thomas. "You Are Beautiful" was sung by Charles Barker, Bill Cheatham, William Ellington, Alex Floyd, Tony Oakes, and Joy Perkinson; and "Climb Every Mountain" by Margaret Baucom, Alma Dickerson, Betsy Gentry, Carolyn Creech West, Tim Hoyle, Fallis Finch, Tilden Martin, and Johnnie Riggan. Family Night At Stem Draws Crowd

Musical Entertainment, Open House and Reception Are Featured

By CAROL GOODWIN and PEGGY LATHAN

STEM, May 23—Family Night at Stem Elementary School was observed Friday, May 17, at 8 p.m.

In the auditorium, elementary grades sang some of the songs Miss Myrtle Jane Pruitt had been teaching them during the year. This Spring Concert was enjoyed by a full house.

Following the Concert parents and friends toured the classrooms. Exhibits of all subjects were displayed, revealing that students and teachers had worked hard all year. They were proud to have a chance to show what they had done.

Guests for Reception
Everyone was invited to the home economics building for a reception in honor of the parents. The boys and girls had arranged flowers in all the rooms of the building. Mrs. M. R. Vickers greeted the guests and invited them into the dining room where pink mints and fancy nuts were served from silver and crystal bon bon dishes with silver bon bon spoons. Assorted cookies were served from silver trays. Punch was served from a silver punch bowl with a silver ladle by the PTA officers, Mrs. Ralph Whitfield, Mrs. Bonnie Wilson and Mrs. Sidney Farabow.

The table was covered with an imported handmade lace cloth over pink with a dainty arrangement of pink rose buds in a crystal and silver bowl, flanked by two three tier silver candelabra with tall tapering pink candles on which were "climbing angels".

Between 250 and 300 guests visited the school during the evening and expressed appreciation for the work that was being carried on and for a delightful program.

SHIP OF SIZE

The 85,350-ton, nuclear-powered United States aircraft carrier "Enterprise" could accommodate the White House and 275 feet of lawn on her spacious flight deck, the National Geographic Magazine says.

Fish frozen about 1,100 years ago have been found in Antarctica's Ross Ice Shelf, the National Geographic Magazine says. The specimens were in a remarkable state of preservation.

Chevy II Nova 400 6-Passenger Station Wagon

A Chevy II wagon looks this big when you load it up

and this big when you gas it up

That, in the eyes of most Chevy II wagon owners, is just about the size of it. A king-size appetite for cargo. But a dainty one for gas.

And this, we hardly need add, is just the kind of wagon we planned it to be. Just the kind that makes loads of sense, too, these bright beckoning days when you feel the urge to pack up and go.

Taut and trim as it is on the outside, we went to great lengths to keep it BIG where a wagon should be BIG. The load platform extends a full nine feet from the back of the front seat to the tip of the

lowered tailgate. Try that on your surfboards, camping paraphernalia and what have you.

And for all the pepper we packed into that 6-cylinder engine (you also have a choice of an even thrifter 4 in most models), we were careful to keep it simple, easy to service—and, as we say, a real sticker on fuel economy. From the way it nurses a gallon of regular, in fact, you'd almost think it makes its own.

Feel in a traveling mood? Well—happy coincidences—this is the time of year your Chevrolet dealer feels in his most generous trading mood.
