

# ARGUMENT SETTLED; TROPHIES AWARDED

By HAROLD CURRIN

The city completely dominated the game of the series will be played Saturday night at Armory, winning all four games from the county. Playing before a large crowd, the city proved that they played better basketball than the county.

The Oxford Boys Club started the ball rolling by defeating the South Granville Jr. Varsity, 45-41. This was the second meeting between the two teams, with each

having won one and the rubber game of the series will be played Tuesday night at South Granville at 7 p.m.

Kenny Cox and Jerry Lanier led the way by scoring 12 and 8 points respectively. Yates and Phipps were the leading scorers for South Granville with 12 points each.

In a very close vote, which was a 3-way tie at one time, Kenny Cox was awarded the trophy as the outstanding player in this game.

In the second game at 6:30, the City Midget All Stars defeated the County Midget All Stars 35-34.

Tommy Arrington and Charles Piper were the leading scorers for the city, while Hart was the leading scorer for the county all stars with 14 points.

In another very close vote Charles Piper was awarded the trophy as the outstanding player in this game.

In the third game, the City All Star Women, pulled, perhaps, the biggest upset of the night, when they defeated the County All Stars by the score of 38-34.

The city, fighting a tremendous height advantage, proved to be too fast for the county and led all the way.

In the fourth game, the City All Star men led the County All Stars all the way winning 55-49.

Bobby Lumpkins and James Bullock were the leading scorers for the city with 13 and 9 points each. Lucius Bullock and Billy McCombs led the county with 9 points each.

In another very close vote, Bobby Lumpkins was awarded the trophy in this game for being the most outstanding player.

And now for the time being, the big argument has been settled and the city have proved that they are superior over the county.

## Democratic Candidate For GOVERNOR In the May Primary

... a Tarheel with a solid background of leadership

**THE DIRECTION** North Carolina takes in the next four years will determine in large measure the entire future of its people, its communities and the economy of the State. To provide guidance through this challenging and critical period, the State needs a strong Governor, experienced and tested in leadership and in public service. This man should be able to unite the Democratic Party and all citizens for the common good of our State.

**DAN K. MOORE**, Democratic candidate for Governor, subject to the Democratic Primary in May, is such a man. A native of the west-

ern part of the State, he is known throughout North Carolina as an able jurist, lawyer, and Democratic party leader. Since retiring from the Superior Court bench he has gained wide respect in the business community in his role as counselor for a large industry. In his home community he is known for many civic and fraternal activities and has held a number of leadership posts in his church.

As a Western North Carolina Democrat, he knows from years of practical experience the necessity and importance of providing the quality of candidates, programs and Party organization required to lead Democrats to victory over the opposition.

**EDUCATION**—Dan Killian Moore was born in Asheville on April 7, 1906, the son of the late Judge Fred Moore and Lela Enloe Moore. After graduation from Sylva High School in 1923, he entered the University of North Carolina where he was graduated in 1927. He also attended the UNC Law School and

was admitted to the bar in 1928. While at college, he was admitted to Phi Beta Kappa, was Associate Editor of Law Review, president of his social fraternity and president of his law class.

**A CAREER BEGINS** — Following admission to the bar, Moore practiced law in Sylva continuously until 1936. During this period he served as Jackson County Attorney for 12 years, as Town Attorney for Sylva and for the Jackson County Board of Education. In 1941 he served as Jackson County's Representative in the General Assembly.

**THE WAR YEARS**—Dan Moore's career was interrupted by World War II when he enlisted in the U. S. Army in 1942. Following 2 years service overseas, he moved to the Judge Advocate General's office and served there the remainder of the war.

**HORIZONS BROADEN** — In 1946 Moore ran for office as Solicitor of the 20th Judicial District and proved his ability in the political

arena. He was elected by a clear majority over two primary opponents, gathering almost 80 per cent of the votes cast in his home county. After two years as Solicitor, Moore was named Judge of the Superior Court. During his 10 years on the bench, Judge Moore held court in 50 counties of the State and became known for his wise decisions and efficient dispatch of court business. In court after court, his judicial conduct was praised and he earned the respect of attorneys, court officials and citizens wherever he presided.

**NEW RESPONSIBILITIES** — In 1958 Judge Moore retired from the Superior Court to assume a position with Champion Papers, Inc. He was named counselor for the Carolina Division of the company and not long after was elected assistant secretary of the firm. He is still active in this position.

**SERVICE AS A DEMOCRAT** — Soon after he returned to Sylva from college, Dan Moore became active in the Democratic Party. He

served as Precinct Chairman, as a member of the County Executive Committee and was a member of the State Democratic Executive Committee for 25 years. He also served as delegate to the National Democratic Convention and on various committees for the state party organization including the Congressional Advisory Committee.

**COMMUNITY ACTIVITIES** — For several years Judge Moore has served as a member of the North Carolina Board of Water Resources and is now vice chairman of the board.
