PAY IN THE ARMY.

Augusta Chronicle.

In this day and generation people always like to knew what things cost nature has lifted out of the waves of and how much a man makes. Though it is not always possible to gratify their the Mediterranean ostensibly for the purpose of scorning the petty struc-tures of man, she would feel much curiosity about some county officers who receive fees, we can give the information more secure within her own borders. abcut the pay of Uncle Sam's army and "She lost Gibralter in 1704. The savy officers, and there seems to be a good deal of curiosity on the subject. circumstances leading up to the sur-In the army the pay of a lieutenent general is \$11,000. We have but one, render of the fortress may be briefly stated. In the year named France entered into terms with Spain, the General Schodeld, who is on the retired list, and receives as a retired officer \$2,250.

The pay of major generals is \$7,500. Aside from the distinction of reaching the rank of lieutenant general, the dif ference of \$3,500 a year in the salary will help to account for the persistent efforts terests, England soon found herself of General Nelson A. Miles to be prodrawn into hostle encounter with the moted to the rank of lieutenant general. The salary of a brigadier general is \$5,500, which may help to account for the readiness of some private citizens to receive the appointments.

The salaries are then graded down as follows: Colouel, \$3,500; lieutenant colonel , \$3,000. major. \$2,500; captain, nounted, \$2,000; captain, not mounted 1,500: regimental adjutant, \$1 900: regimental quartermaster, \$1 800: first lieutenant, mounted. \$1,600: first lieutenant. not mounted, \$1,500: second lieutenant, mounted, \$1,500: second lieutenant, not mounted, \$1,400: chaplain, \$1,500. In the navy the pay is different as well as the terminology of the rank. The office of rear admiral in the navy is equiva alent to brigadier genera : captain in the navy is equivalent to lieutenant colonel in the army, and commander is equivalent to deutenant colonel. The pay of an admiral is \$13 000: vice admi-

loss of energy which leads finally to consumption is not always very rapid, but if it isn't stopped it will presently begin to saw its way into the most vital part of the body, the lungs. There would be very little consumption if every famify would keep Dr. Pierce's Golden Medical Discov-ery in the house, and use it whenever feel-ing "out of sorts." It keeps the entire body in such a high condition of health and forcefulness that wasting diseases have no chance to get a foot-hold. A teaspoon-ful or two before meals, in a little water, gives the digestive organism power to as-similate the blood-making, nerve-toning, strength building properties of the food. It enables the liver and excretory system to clear the circulation of bilious poisons it isn't stopped it will presently begin to It enables the liver and excretory system to clear the circulation of bilious poisons and remove all waste matter from the body. It replaces worn out tissue with hard mus-cular fiesh, and changes weakness and debility into active power and nerve force. The originator of this great "Discovery." R. V. Pierce, M. D., is chief consulting physician to the great Invalids' Hotel and Surgical Institute of Buffalo, N. Y., at the head of a staff of nearly a score of eminent associate physicians and aurgrooms. He has head of a staff of nearly a score of eminent associate physicians and surgeons. He has acquired, in his over thirty years of active practice, a reputation second to no living physician in the treatment of obstinate, chronic diseases. His prescriptions must not be confounded with the numerous "boom" remedies, "extracts," "com-pounds," and "sarsaparillas," which a profit-seeking druggist is often ready to urge as a substitute. Dr. Pierce's medi-cines are the product of wide experience and deep study. Any one may consult him by mail free of charge.
