## HEBREW BENEVOLENT SOCIETY.

### A Strong Letter Concerning Pe-ru-na.

Mr. Charles Nathan.

#### Nasal Catarrh for Four Years.

Mr. Charles Nathan, Treasurer Young Men's Hebrew Benevolent Society, 1813 St. Mary's Ave., Omaha, Neb., writes:

"I am glad to bear testimony to the value of Peruna as a remedy par excellence for catarrh.

"I have been troubled with nasal catarrh for upwards of four years. I would have headaches and at times it would cause bleeding of the nose. I tried at least a dozen douches and powders, which were only a source of expense to me, irritating the affected parts without causing any improvement.

"One month's treatment with Peruna cured me entirely, and I feel relieved and pleased to think that I am so entirely free from this unpleasant trouble.

"A large number of the young men members of our benevolent society, learning what Peruna did for me, have tried it and been cured of catarrh of the head and lungs and the stomach.

"It has cured dozens of colds and inflammation of the throat and lungs caused by prolonged colds and I certainly think it a very superior and safe remedy to use, always sure to help."

#### Stomach Trouble and Catarrh.

Mr. William Winans, 510 Hoyt St., Portland, Ore., Vice President Patrons of Husbandry, writes:

"Stomach trouble and catarrh have been the bane of my life for a number of years, but thanks to Peruna, I am

entirely rid of them both.

"I took Peruna for a month before I felt sure that I was on the highroad to recovery, but I was amply repaid for my persistence. After three months of its use I did not need any more medicine. I was completely cured."

#### Ringed Testimonials From Young Men.

#### Unsolicited Evidence as to the Merits of Pe-ru-na.

#### From the North, South, East and West.

##### Pimples and Constipation.

Mr. Herman S. Boutiller, Port Caldonia, Cape Breton, Nova Scotia, writes: "I cannot express too highly the great benefit I have received from your medicine, Peruna. At first I was skeptical as to your medicine, but now I am perfectly satisfied as to the results I have obtained.

"I am thankful to say that I feel as well as I ever did. The pimples have all gone from my face. Manain has cured the constipation and Peruna has cured the catarrh."

##### Stomach and Liver.

Mr. Joe Schreiber, 931 Third St., Milwaukee, Wis., writes:

"I have suffered greatly with stomach and liver troubles. My complexion at one time was very sallow, my appetite and digestion very bad, my stomach weak, and I suffered from nausea after eating.

"A personal friend recommended your wonderful discovery, Peruna, and I am under obligations to him for recommending it to me, and under greater obligations to you for having placed such a valuable medicine on the market. I unhesitatingly recommend it to my friends, who may be similarly afflicted."

##### To-Day Well and Hearty.

Mr. Robert E. Klesel, Pennsylvania, N. J., writes:

"I feel better than I ever did in my life. I am a well and hearty man. Peruna helped to get my health where it is to-day, and if it were not for Peruna I would be in the same boat that I was last summer.

"I took several bottles of Peruna, and if I had taken it in the first place, I would have saved several dollars, besides the time I lost, which was over sixteen weeks.

"I can say that Dr. Hartman's Peruna saved my life. I can recommend Peruna to any one by the experience I have had with it."

##### A Good Word for Pe-ru-na.

Mr. J. J. Moore, Box 1321, Pelzer, S. C., writes: "It is with much pleasure that I can speak a good word for your wonderful remedy, Peruna.

"As I have been permanently cured of catarrh by its use, it has been worth thousands of dollars to me. I wish you much success in your work."

The meeting of the Board of Education on the first Monday in April afforded a notable illustration of educational progress. From all parts of the county there were large delegations asking for help to build new school houses and with petitions for special tax elections. Private subscriptions amounting to over \$5,000 have been made to go into school houses during the coming year. This is a remarkable demonstration of increasing interest in education. Our people are becoming convinced that the best thing they can do for their children is to educate them.

## Not a Drop of Alcohol

What is a "tonic"? A medicine that increases the strength or tone of the whole system. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Name the best "tonic and alterative"? Ayer's Sarsaparilla, the only Sarsaparilla entirely free from alcohol. Ask your own doctor all about it. Never take a medicine doctors cannot endorse. J.C. Ayer Co., Lowell, Mass.

Without daily action of the bowels poisonous products must be absorbed. Then you have impure blood, biliousness, headache. Ask your doctor about Ayer's Pills for constipation.
