PRESIDENT MCNEILL HERE

HE SAYS THE TOURNAMENT WILL BE BIGGER AND BETTER THAN EVER.

President J. D. McNeill, of the State Firemen's Association, is in the city to-day looking after Salisbury's interests in the coming annual tournament at Fayetteville.

Among other things that brought Mr. McNeill to Salisbury is a question that has been perplexing the H. and L. Co. They wish to race at Fayetteville and they want to know if they can use Greensboro's track, with the latter's permission. Mr. McNeill has decided that they can and the boys will go down. A firemen's excursion train will be run from Greensboro to Fayetteville and Salisbury's firemen will go on this train.

Mr. McNeill says it will be the biggest tournament ever held.

Death on the Track.

ANOTHER VICTIM OF THE IRON HORSE LAST NIGHT.

DISMEMBERED AND MANGLED, OCCURRED NEAR SUMNER'S SIDING — THE DEAD WOMAN'S NEGLIGENCE.

Last night at 1 o'clock, when the excursion train from Winston to Charlotte passed through Salisbury on its return trip to Winston, Car Inspector Bernhardt observed a mass of bloody clothes and small particles of flesh clinging to the brake rod of the train.

When the engineer on No. 8, the early morning train, passed Sumner Siding this morning he observed fragments of a human body lying by the roadside. It appeared to him to be the mangled remains of a woman and subsequent events proved this to be the case.

This morning Henry Wilson, colored, came to town and reported that the scattered remains of a negro woman had been found near and on the track just this side of Sumner Siding. The woman's identity is thus far a mystery.

It is generally supposed that she was one of the excursionists returning to Winston last night and that an leaning forward she had been thrown from the train and ground into atoms.

MR. CRAIG ELECTED.

HIS ASSISTANT TO BE CHOSEN AT A LATER DATE.

The Board of Trustees of Church Street High School met yesterday and elected Mr. Burton Craige principal of this school for the ensuing year.

The election for an assistant to Mr. Craige was postponed until a later date.

The selection of Mr. Craige was an excellent one. He was graduated from the University of North Carolina last June, carrying off the honor of his class. He is esteemed by Prof. Alderman, one of the most thorough and painstaking students the University has ever had, and he is in every way qualified to keep the school up to its former standard under Prof. J. M. Hill. Mr. Craige has already inaugurated his canvass for students and has met with most gratifying success so far.

An excursion from Morganton to Thomasville will pass through Salisbury Wednesday. The train will pass through Salisbury at 9:40 Wednesday morning.

THE COMMISSIONERS MEET.

THEY REVISE THE TAX LIST, APPOINT COMMITTEES AND DOUBLE TAX ALL WHO FAILED TO GIVE IN THEIR TAXES.

The board of county commissioners met in extra session yesterday for the purpose of revising the tax lists and valuation reported to them and for hearing complaints in regard to over-valued property.

As usual at such meetings there were a number of complaints and a great many changes made in the different tax lists over the county. It was also ordered by the board that all persons who had failed to list their taxes in the time allowed by law should be double taxed. It was further ordered by the board that Thomas M. Kerns, one of the commissioners, be appointed a committee of one to examine the tax list of Salisbury township with J. F. McCubbins, the list taker for this township, for the purpose of ascertaining whether all property had been listed for taxes, and also for the purpose of seeing whether the improvements recently put upon property in the township had been properly returned and valued by the list taker.

Superintendent Mahaley, of the county chain gang, was instructed by the board to double shackle all those convicts whom he thought were liable to attempt to escape, and that the chain not exceed three feet in length.

The cotton mills of Salisbury were all changed in value by the board. The Salisbury Cotton Mills was reduced to \$166,600; the Vance reduced in value from \$100,000 to \$66,600, while the Kesler Manufacturing Company was raised from \$20,000 to \$35,000.

The business transacted by the board otherwise than previously stated consisted in changing the taxable value of various tracts of land throughout the county, and at this the commissioners were kept busy until late in the afternoon, for many filed complaints.

Railroad.

Says this morning's Charlotte Observer:

Capt T. S. Clarkson, of the Charlotte, Columbia & Augusta, went to Spencer Sunday to learn the track. It is said that the object of having the C. C. & A men learn the track is that in case of emergency, if it were necessary, they could take a train over the track; in other words, simply to have them qualified.

A Mis-step.

MEDICAL SOCIETY MEETS.

AN INTERESTING PAPER READ — OFFICERS ELECTED FOR THE ENSUING YEAR.

The regular quarterly meeting of the Rowan Medical Society was held yesterday in the mayor's office at 12 o'clock. The attendance was not so large as usual, but the meeting was a very interesting one nevertheless.

A very valuable and interesting paper was read by Dr. J. G. Ramsey, of Salisbury. The subject of this paper was "Reminiscences of the Medical Fraternity of Rowan County." This is the third and concluding paper on this subject, the others having been read by the doctor at previous meetings. He thoroughly investigated the old records, and in the three papers gave a complete and correct history of the medical fraternity from its earliest organization down to the present time.

Other short papers were read and discussed at the meeting, after which they took up the business of electing officers for the next year. The result of this election was as follows:

Dr. J. G. Ramsey, of Salisbury, president.

Dr. McNairy, of Faith, first vice president.

Dr. A. J. Crowell, of China Grove, recording secretary.

Dr. P. Shimpock, of Gold Hill, corresponding secretary.

After the election of officers the society adjourned, to meet subject to the call of the president.

SOUTHERN ON ITS GUARD.

IS NOW LAYING IN A SUPPLY OF COAL AGAINST FAMINE.

The Southern Railway is on its guard and will not be caught napping during the coal famine that is now threatened.

The WORLD is told by a gentleman who knows, that the Southern is now having all the coal hauled from its Virginia mines to different points along the line.

The strike has assumed such proportions and the coal famine is so general that it is thought several Western roads will be compelled to suspend running this week.

Rev. Cox's Summer Work.

The WORLD is in receipt of a folder announcing a series of lectures in Calvary Lutheran church of Baltimore, Md., by the pastor assisted by Rev. C. Brown Cox, of this county. The series will continue during July, August and September. Mr. Cox has been prosecuting his studies in Gettysburg Theological Seminary for the year.

A petition is being circulated and signed praying Governor Russell for the pardon of Fred Bostian, a young white boy of this city, who was sent to the penitentiary seven months ago for larceny. IN REVENUE CIRCLES.

MR. BIESECKER IS SLATED FOR A CLERKSHIP IN THE OFFICE.

Mr. R. H. Biesecker, of Lexington, was in the city this morning on his way home from Asheville.

Mr. Biesecker tells us that he has the promise of a place in the collector's office. Nearly all the contemplated changes in the collector's office and under his supervision will go into effect on August 1st, and the work of decapitation will continue until all the Democratic heads have fallen from the block.

Apropos these changes we learn from a perfectly reliable source that Mr. Gilmer Brenizer, who flopped to the Republican side the last campaign, will not be retained as cashier. We learn that a Mr. Walse, of Asheville, has been slated for this position. It is safe to venture that by the 1st of September there will not be a Democratic deputy in the entire district.

Prof. Craige To Leave.

Prof. Burton Craige, of the Salisbury High School, will leave in the morning for Chapel Hill, where he will spend the rest of the summer. Prof. Craige goes for study and will take a special course in school teaching. On his return he will open up the Salisbury High School at Chestnut Hill and the people could do no better than to send their boys to this learned and efficient instructor.

Mrs. Iddings Very Low.

Mr. J. H. Iddings left this morning for Greensboro, where his aged mother, Mrs. Nancy Iddings, is very low with heart trouble. Mrs. Iddings is now 81 years old and her age complicated with heart trouble renders her recovery extremely doubtful. Mr. Iddings' family has been in Greensboro for some time.

Stole His Hat.

A white man was walking the streets of Salisbury this morning bareheaded. He had been to Charlotte on the Winston excursion and when the train was getting ready to pull out from Charlotte a darkey stepped up to him and jerked his hat from his head. The man only had money enough to get to Statesville and consequently had to go without a hat.

To Re-organize.

It is earnestly desired by the members that a re-organization of the debating club be effected. A meeting has therefore been called for next Monday night at J. L. Rendleman's office for this purpose. It is hoped that every member will be present at this meeting.

MR. GRAHAM RESIGNS.

HE GIVES UP HIS POSITION WITH SUPERINTENDENT MEBANE— WILL PROBABLY TRAVEL.

Mr. J. L. Graham, an account of whose trial appeared in yesterday's WORLD, and who passed through the city yesterday morning, returned from Raleigh last night and went up to Newton on the Chattanooga train.

Mr. Graham said to the WORLD: "I have been down to Raleigh and tendered my resignation to Superintendent Mebane as his chief clerk in order to relieve him of any embarrassment. I will bring my wife to Salisbury, where she will spend the summer and I will probably travel for a New York crockery house from which I have received a proposition."

Mr. Graham's attorney, W. H. Day, received a letter from Mebane asking for Graham's resignation. The latter tendered it and says in his letter of resignation:

"Notwithstanding the great injustice that has been attempted and so far perpetrated against me in the prosecution in which I was charged with burning the Presbyterian Manse at Newton, to relieve you of embarrassment I hereby tender my resignation as clerk in your office. I have appealed my case, and shall no doubt obtain a re-hearing and I hope in the end to obtain what alone will be a just acquittal. It is not proper, however, that pending litigation, when the issue apparently at least is still uncertain, that I should retain my position in office, the incumbency of which might be harshly criticised on that account. I therefore retire, thanking you for kindness shown me and will continue the fight against my slanderers and persecutors."

Out for the Mountains.

Mr. J. Allen Brown left this morning for Tate Springs, East Tennessee. This and Connelly Springs seem to be the favorite summering places for Salisburyans.
