GENTLEMEN. - Your Hebrew Plaster has cured me of pains of which I have suffered for twelve years past. During this period I labored under an affliction of my loins and side, and tried many edies that my own medical experience suggested, but without obtaining relief. At length used your Plaster, and am now by its good effects entirely cured. I will recommend the Jew David or Hebrew Plaster to all, who are suffering from contraction of the muscles, or permanent pains in the side or back. The people of Georgia have but to become ac

NORTH CAROLINA. MESSRS, SCOVIL & MEAD! - I have been troubled with the chronic rheumatism for the last twelve years. On the 1st of July 1849, 1 was so bad that I could not turn myself in bed, and the pain so severe that I had not slept a wink for six days. At this time my attending Physician prescribed the "Hebrew Plaster," and it acted like a charm; the pain left me and I slept more than half of the night, and in three days I was able to ride out. I consider the "He-brew Plaster" the best remedy for all sorts of pains now in use.

THROUGH BY EXPRESS!! This is to certify that the MEXICAN MUSTANG LINIMENT

AS been used quite extensively in the stables of ADAMS & CO.'S GREAT SOUTHERN, and WESTERN EXPRESSES, for CURING Galds, Chafes, Scratches, Sprains and Bruises, and it has proved very effectual. Many of their men have also used it on themselves and their families, and they all speak of its healing and remedial qualities in the highest terms. One of our hostlers got kicked, and badly cut and bruised on the knee-as usual, the MUSTANG LINIMENT was resorted to, and the soreness and lameness was soon removed, and it was perfectly well in three or four days. We have no hesitation in recommending it as a valuable preparation, to be used externally on man or beast.

S. DUNNING, Foreman of
Adams & Co.'s Express Stable, New York.

We take great pleasure in recommending the Mexican Mustang Limiment to all our friends and customers as the best article we have ever used for Sores, Sprains or Galds in horses. We have used it extensively, and always effectually. Some of our men have also used it for severe bruises and sores, as well as Rheumatic Pains, and they all say it acts like magic-We can only say that we have entirely abandoned the use of any other Liniment.

NHURALGIA. A lady in Auguste Geo., was subject to attacks of this painful malady. Last winter she had a very severe attack, the whole of one side of her face, head and neck were ffeeted, so badly that lock-jaw was threatened. On all our agents happened to be there at the time, and recommended an application of the Mustang Limment. It was immediately brought into requisition and freely applied. The result was, (as it almost uniformly is,) relief from pain almost instantly, and a perfect cure was effected in twenty-four hours!

G. F. Secchi De Casali, editor of the " L' Eco D' talia," No. 9, Spruce-street, New York, had a very severe attack of Neuragia in the face, occasioned by taking cold in a decived tooth. At first it was a real "jumping tooth ache," but soon the whole side of the face and jaw became swollen and inflamed, and the pain was nost exeruciating. In this ondition he came into the store a few days ago, with his hands convulsively pressing his cheek, and his features very much distorted into expressions of great agony. We immediately applied the Mustang iniment and gave him a bottle to continue its uses This morning he called with smiles of pleasure and feelings of gratitude, ituminating his countenance, to say that the Limmert gave him almost instant relief, and had effected a perfect cure. Comments

The Mexican Mustage Liniment has been used in ay family, and on my plantation for a great variety f diseases requiring an external application, and has never failed to give immediate relief and effect permanent cure. I have cured several cases of Rhenmatism that has resisted the skill of our best physicians. It has cured Ringworms by a single application, Chilblains in a few days, Toothache immediately, Frost bites, Cuts, Sores and Corns, by a few applications Nervous Headache cured entire ly. In fact, I have used it for almost every thing, and it has always cired. I consider it the best medicine I have ever used.

WILLIAM JOHNSON.

Savannah, Jone 4th, 1852. Having been afflited with the Rheumatism many ears without beingable to obtain any relief from ctors, or popular remedies, I determined to try the Mustang Liniment. Much to my surprise, and joy, as you may wellimagine, I received almost imdiate relief, and legan to recover rapidly. One cent bottle has nearly cured me, and I am satished that a few more applications of the Liniment will perfectly cradicate the disease from my system.
