RESOLUTION BY STONE

in motion to meet it.

Germany, the Associated Press was informed, resorted to this measure after the "shameful rejection" by the entente powers of peace overtures and only after the fullest determination as to the imperative weapon in defense of its threatened interests. Germany cannot relinquish this weapon -the only one promising a speedy end of the war-relunctant as Germany was to take this step.

The government had hoped the United States would see it in this light and was, and is, actuated by no animosity toward the United States in its determination. Germany therefore so the high informant of the Associated Press was informed, is very keenly disap-pointed and grieved by the terms of President Wilson's messagesl but the government cannot alter or modify the course which it has determined.

This official added: "We can only hope that American ships and American citizens will avoid the danger zone laid down in the German memoran-

German-American break where left off Saturday when the Post went to press and filling in the gap between 4 p. m. Saturday and this afternoon there is little real interest to record. The President in his speech before Congress on Saturday afternoon laid the whole matter before Congress, told that body that he had broken off with Germany and was recalling Ambassador Gerard from Berlin. The President was greeted with the greatest enthusiasm. He was given cheer after cheer, and Republicans joined with Democrats in endorsing the stand and in hearty sup-

port of Mr. Wilson. Count Bernstorff, the German ambassador, is in seclusion at his Washington home

awaiting the hour for the leave taking. The navy department has

seized two German ships at Philadelphia and several at Panama. The navy department is working night and day getting the organization in the best of shape and on war footing. The leaders of the administration and of Congress are conferring and working out plans for every detail that may be needed. The finances of the new condition will call for work and every department of the government will be put on a

preparedness tasis. President Wilson has laid the situation before the neutral nations of the world and asked them to join him in enforcing peace, in severing relations with Germany a bold stroke at ending hostilities and estab-

lishing a world peace. In Germany the news of the break is said to have been received with genuine regret. In entente capitals there was a feeling of relief and in Rome an outburst of rejoicing.

The report on Sunday indicated that the American steamer Housatonic had been sunk without warning and a number of Americans drowned, proved to be exaggerated. The ship was warned and the crew Congress is aroused to a pa-
