### GENERAL REMARKS.

Revenue Stamps may be used indiscriminately upon any of the matters or things enumerated in schedule B, except proprietary and playing card stamps, for which a special use has been provided. Postage stamps cannot be used in payment of the duty chargeable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp thereon. If he neglects to do so, the party for whose use it is made may stamp it before it is used; but in no case can it be legally used without a stamp; and if used after the 31st of June, 1864, and used without a stamp, it cannot afterwards be effectually stamped. Any failure upon the part of the maker of an instrument to appropriately stamp it, renders him liable to a penalty of two hundred dollars.

They are commenced in many States by other process than writ, viz: summons, warrant, publication, petition, &c., in which case these, as the original process, severally require stamps.

Writs of scire facias are subject to stamp duty as original processes.

The jurat of an affidavit, taken before a Justice of the Peace, Notary Public, or other officer duly authorized to take affidavits, is held to be a certificate, and subject to a stamp duty of five cents, except when taken in suits or legal proceedings.

Certificates of loan, in which there shall appear any printed or written evidence of any amount of money to be paid on demand, or at any time designated, are subject to stamp duty as "Promissory Notes."

The assignment of a mortgage is subject to the same stamp duty as that imposed upon the original instrument; that is to say, for every sum of five hundred dollars, or any fractional part thereof, of the amount secured by the mortgage, at the time of its assignment, there must be affixed a stamp or stamps, denoting a duty of fifty cents.

When two or more persons join in the execution of an instrument, the stamps to which the instrument is liable under the law, may be affixed and cancelled by one of the parties.

In conveyances of Real Estate, the law provides that the stamp affixed must answer to the value of the estate on interest conveyed.

No stamp is required on any warrant of attorney accompanying a bond or note, when such bond or note has affixed thereto the stamp or stamps denoting the duty required, and whenever any bond or note is secured by mortgage, but one stamp duty is required on such papers, such stamp duty being the highest rate required for such instruments, or either of them. In such case a note or memorandum of the value or denomination of the stamp affixed should be made upon the margin or in the acknowledgment of the instrument which is not stamped.
