GENERAL NEWS.

Burglaries are becoming so frequent and daring here lately, as to create alarm, and citizens are seriously contemplating the formation of vigilance committees. Two men have been killed in encounters with highway robbers, and people are nightly robbed on the street and houses broken into by burglars.

About noon yesterday, the collecting messenger of the United States Saving Bank, having \$35,000 in his pouch, was knocked down on one of the most frequented streets and his money seized. The collector, however, fired his revolver at the robber, who dropped the money, but escaped.

Bernoist & Co.'s bank was also robbed, yesterday, of \$7,000. No clue to the robbers has been obtained.

San Francisco, Nov. 14.—Letters from Acapulco to the 6th inst. state that the French garrison there had been strengthened by the arrival of 500 men from Mazatlan.

Late news from Mexico states that the French have collected considerable forces, and scattered the Juarist forces, capturing five Liberal Generals, named Ortega, Paraparas, Dios, Zalazan and Trouzo, who were subsequently shot. This angered General Alvarez, who had proclaimed the life of Every captured French or Imperial General as forfeited.

New York, Nov. 18.—The N. Orleans Times says, in relation to the rumors of naval and military preparations: "We have information that we are not at liberty to disclose, giving positive corroboration to these rumors, and we hesitate to predict that unless the French troops are withdrawn from Mexico before Christmas, there will be active intervention on behalf of the liberals, and the traditional policy of the U. States will be vindicated."

Brigham Young has had a new "revelation." He says it is "the will of God that the sisters should make their own bonnets and hats for themselves and their families, from straw and other materials raised in the Utah mountains." The next "revelation" will probably dictate the style in which they are to be made and worn. It is said that Brigham Young has a large lot of rye straw "for sale in lots to suit purchasers," which perhaps accounts for the straw hat revelation.

Halifax, November 20.—The reamship China has arrived with Liverpool dates to the 12th. The cotton market opened dull and closed firmer, with an advance of one quarter penny on

American for the work. Foreign cotton is dull with a decline of one quarter to half pence on Surats for the week: Orleans middling has advanced a penny.

London, Nov. 12.—Consols closed at 82 a 82½; five twenties 63 a 63½.

The Confederate steamer Shenandoah has been delivered to the American Consul and will be sent to New York. Captain Waddell, his officers and crew have been unconditionally discharged.

Earl Russell attended the Lord Mayor's banquet on the 5th instant, and paid a tribute in his speech to the memory of Lord Palmerston. He thought that the American war was over, and hoped that the Republic, freed from the sin of slavery, would prosper for centuries to come.

The commission for the trial of the Fenians opens on Wednesday, the 27th instant.

Tom Sayers, the pugilist, is dead.

Liverpool, Nov. 12.—Sales to day of 8,000 bales; market less firm; quotations unchanged. Breadstuffs unchanged. Provisions firmer.

London, Nov. 12.—Consols 89 a 89½; five twenties 63½ a 64.

FROM WASHINGTON.

Washington, Nov. 21.—Mr. Trescott, the agent of South Carolina, had an interview with the Secretary of War to-day, and received from him a copy of the order addressed to the tax commissioners, saying that the immediate postponement of the sales of the lands for direct taxes in the insurrectionary districts is intended to embrace all lands of whatever character and description, and therefore directing the commissioners to postpone indefinitely such sales in Beaufort, South Carolina.

COMMERCIAL BANQUET.

Toronto, Nov. 21.—A grand commercial banquet will shortly be held in this city. A large number of business men from the U. States are expected to be present. The topics of discussion will be the Reciprocity treaty, enlargement of the canal and building the Huron and Ontario ship canal.

HEAVY RAINS IN THE NORTH.

Boston, Nov. 21.—A violent rain storm prevails. It is severe on the coast. No disasters reported.

New York, Nov. 21.—Very high tides to-day, flooding the lower portion of the city and causing considerable damage to merchandise.

GENERAL PALMER.

Louisville, Nov. 21.—General Palmer has been indicted by the Grand Jury of this county for enticing slaves to leave Kentucky.

The Columbia (South Carolina) Phoenix of the 17th, says:

We are informed of a most painful and fatal occurrence one of the hacks from Alston. About one and a half miles this side of Hope Station the hack or ambulance was precipitated into a gully about fifteen feet deep. The result was that four passengers were killed outright and three severely wounded.

Among the passengers killed was the Rev. Dr. James Cohen, so long known as professor in the Theological Seminary in this city; Mrs. Van Winkle, of Charleston; an English lady, (name not known,) a resident in the family of Mr. Peronneaux, of Charleston; and a colored servant or nurse. There is great blame to be attached somewhere. Under our present information we forbear comment until to-morrow.

NEW YORK MARKET.

New York, Nov. 21.—Flour has declined 3 cents. Wheat has declined 1 a 2 cents. Corn declined 1 cent. Beef quiet. Pork heavy. Whisky dull. Cotton quiet—sales 2,000 bales at 52 a 53. Naval stores dull. Freights quiet. Gold 147½.
