A SAD AFFAIR.

We understand that Jas. A., son of Mr. Able Cowan, came to his death in a very sad and deplorable way before yesterday. The lad, aged about six years, was unwell, and his father administered to him a small quantity of spirits, and leaving the vessel containing the remainder in his room, left him alone for a short time. When he returned he found the child in the act of swallowing more. Medical attendance was procured, but in defiance of all remedies, he died in ten or twelve hours. This is a sad affair and we sympathize deeply with the bereaved father.

LIBRARY ASSOCIATION.

It is apparent to all that something is needed to arrest vice and fix the minds of our citizens, of all ages, on that which is better calculated to elevate and purify society, and establish a fellow feeling of charity and mutual regard between all classes of our people, one toward the other. To this end, it has been suggested that the institution of a Library Association or reading room to which the young and old of our citizens may repair to pass away their leisure hours or spare time, would tend, in no small degree, to produce the object and elevate the standard of our morality. This, we think, is an elegant suggestion. Will our citizens act upon it? Will a sufficient number unite themselves together to secure the success of an enterprise so laudable in its inception and so worthy of its ends? There are incalculable advantages and blessings to be derived from it to our whole community. We hope to see it succeed. Will some one more able and better acquainted with the benefits to be derived from such an association give us more extended views upon this important subject?

PROPOSALS FOR CARRYING THE MAILS.

We publish below proposals for carrying the mails weekly to the County seats of this State, until the first of January next. We trust that persons who may be disposed to make proposals will do so at once, as mails are very much needed. We learn that ten dollars per mile will be allowed for this temporary service. The post offices on the various lines will be supplied, and it is desirable that postmasters be appointed at once. Proposals for any of these routes, and nominations for Postmasters, may be addressed to Gov. Holden, to be forwarded by him to Washington. Persons who may propose to carry the mail must offer the necessary evidence that they will comply with their contracts; and nominations for Postmasters must be endorsed by loyal men, known to the Governor. Females may act as Postmasters, and there is no objection to appointing them. The advertisement for the regular mail service in this State will appear soon. We learn that the granting of this special temporary mail service is due to the indefatigable exertions of Dr. R. J. Powell, the State Agent in Washington, aided by W. S. Mason and W. J. Palmer, Esq's. of this city. We believe that no such favor has been extended to any other State. Post OFFICE DEPARTMENT, Washington Aug. 3, 1865.
