An Italian boy, 16 years of age, had a tooth extracted in Boston, in June, and as blood continued to flow from the cavity, he was taken to the hospital for treatment. All efforts to stop the flow, however, failed, and it continued for forty-five days, when he died from the effects.

When God makes our cross a little heavier, He means that we shall come to Him for added strength to carry it. We must draw closer to the Lord our strength and live more simply upon Him. He has fullness without limit, and of His fullness shall we receive.

APPEAL.

To the Women of the South:
The end we propose is the cause of the South. It has neither party nor section, nor division. The obligations of the survivors to the memory of the martyrs of the war address the South as one family, wherein, though there be degrees of affliction and bereavement, none are without sorrow and grief. It is not, however, to hearts crushed by personal sorrows, so much as the gratitude cherished for noble deeds by noble men, we appeal. With this, the Southern heart throbs with one impulse, and is ready to testify its inextinguishable sympathy.
It shall be our endeavor to rescue from the oblivion, to which they are passing, the graves of the great host which perished in our cemetery. Their memory history will transmit from age to age, propounding, without number, illustrious examples from which the noblest of every age may catch new inspiration.—We propose the humbler tribute, yet one more touching to relatives and friends (and even to the general heart) that of identifying with durable monuments the ground where sleep the honored dead, tempting thither by its becoming habitude the countless throng who would do homage to such dead.
Our designation is the "Hollywood Memorial Association of Richmond," pledged to apply the means which may be provided, to the permanent protection and adornment of the graves of the Confederate dead interred in the Hollywood Cemetery.

Those contributing to the Association will be enrolled as members, and contributions will be remitted to the Treasurer, Mrs. Dr. Barney, and letters addressed to the Corresponding Secretary, Mrs. Dr. Bolton. Information will be furnished at all times by the President, and by any member of the Memorial Committee.
Mrs. Wm. H. MacFarland, Pres'dt.
Memorial Committee:—Mrs. J. H. Caske, Mrs. Dr. Barney, Mrs. C. McGruder, Mrs. James Lyons, Mrs. Geo. L. Bidgood, Mrs. J. E. Dabney, Mrs. Barksdale, Mrs. Dr. Cullen, Mrs. J. A. Cowardin.

Know all men by these presents, That on this, the Twentieth day of June, in the year of our Lord One Thousand Eight Hundred and Sixty-six, personally came Joseph Haycock to me, known as such, and being duly sworn, deposed as follows: That he is the sole general agent for the United States, and dependencies thereof, for preparations or medicines known as MAGGIE'S PILLS and SALVE, and that the following certificates are verbatim copies of the best of his knowledge and belief.
JAMES SMETTRE,
Notary Public.

June 1, 1866.
Dr. MacGILL:—I take my pen to write you of my great relief, and that the awful pain in my side has left me at last—thanks to your medicine. Oh, doctor, how thankful I am that I can get some sleep.—I can never write it enough I thank you again and again, and am sure that you are really the friend of all sufferers. I could not help writing to you, and hope you will not take it amiss.

This is to certify that I was discharged from the army with Chronic Diarrhea, and have been cured by Dr. Maggell's Pills.
WILSON HARVEY,
N. Y. April 7, 1766 27 Pitt street

The following is an interesting case of a man employed in an iron Foundry, who, in pouring melted iron into a flask that was damp and wet, caused an explosion. The melted iron was thrown around and on him in a perfect shower, and he was burnt dreadfully. The following certificate was given to me by him about eight weeks after the accident.
New York, Jan. 11, 1866.
My name is Jacob Barry; I am an Iron Founder; I was badly burnt by hot iron in November last; my burns healed, but I had a raging sore on my leg that would not heal; I tried Maggell's Salve, and it cured me in a few weeks. This is all true and any body can now see me at Jackson's Iron Works, 2nd Avenue.
J. HARDY,
119 Goerick street.

Extracts from Various Letters:
"I had no appetite; Maggell's Pills gave me a hearty one."
"Your Pills are marvelous."
"I send for another box, and keep them in the house."
"Dr. Maggell has cured my headache that was chronic."
"I gave half of one of your pills to my babe for cholera morbus. The dear little thing got well in a day."
"My nausea of a morning is now cured."
"Your box of Maggell's Salve cured me of noises in the head. I rubbed some of your Salve behind my ears and the noise left."
"Send me two boxes I want one for a poor family."
"I enclose a dollar; your price is 25 cents, but the medicine to me is worth a dollar."
"Send me five boxes of your pills."
"Let me have three boxes of your Salve by return mail."

I have over 200 such Testimonials as this, but want of space compels me to conclude
J. MAGGELL, M. D.

PERPETUAL CALENDAR.
COMBINING the Julian, or old Style, and the Gregorian, or New Style, of reckoning time. Dates from the birth of Christ to the year 3200 of our Era, readily, and accurately found.
Neatly and plainly printed on Cards 10x14 inches, suitable for
Counting House, Library, or Office.
Each Card contains "Directions for Using," and "Explanatory Remarks." These give a brief, but comprehensive account of the Julian Calendar, and of the Astronomical causes which led to its change.
Every reader of History; every professional man; every merchant; every mechanic and every student should have a copy.
One copy furnishes the purchaser with an Almanac, of inflexible accuracy, for the past years of our Era, for the present year and for more than thirteen hundred years to come.

TESTIMONIALS.
Prof. CHAS. PHILLIPS, of the University of N. C., one of the ablest mathematicians of the country, thus speaks of it: "It is a thing of beauty; simple, exclusive and accurate. Every one who refers to dates ought to have a copy of it; the man of business for the present; the student of history, for the past; and the dabbler in phylology, for the future."
Gov. ARNOLD, President of the University, says: "I entirely concur with Prof. Phillips in the views he entertains concerning the value of your Almanac."
Rev. M. A. CURTIS, D. D., a clergyman well known for high attainments in literature and science, thus writes of it: "I have examined your calendar with considerable care, verifying dates and days in several centuries, including the first, and have been unable to detect any error in either the Julian or Gregorian tables. So far as I can discover, the scheme is perfect. It seems to me to merit the attention of every one who has any use for a perpetual calendar."
From *Lieut. Gen. D. H. Hill, late of C. S. Army.*
"I have just examined the Perpetual Calendar, of which Jas. Rumley is the inventor, and you the proprietor. It contains all that an Almanac for the year has, except 'look-out-for-rain-about-this-time.' In addition, it is a complete Almanac from the birth of Christ to 3200 A. D.—about as far forward as most of us care to investigate. I have found it very useful in verifying some dates of battles, about which I was doubtful. In some cases, I remembered the day of the week, and not of the month. In others, I had forgotten the day of the week, and had remembered that of the month."
The Calendar, as the invention of a native North Carolinian and the property of a brother soldier, shall always be kept upon my desk."
One half of all the net profits of sales in each State of the South, for one year, to be appropriated to the use of the Ladies' Memorial Association of that State, to be expended as they may direct.
Inboard and Express Companies should furnish all their offices with this valuable Calendar.
Booksellers and others are invited to correspond with me on the subject.
AGENTS to sell it wanted.
Very soon, the Proprietor will be prepared to supply the demand in every locality in the country.
Copies of the Calendar can be found for sale in Goldsboro, N. C., at the office of the *Daily News*.
Single copies 50 cents; \$35 per hundred.
