You cannot be homely

if you have a good complexion. And a good complexion is within the reach of every woman. There is one remedy for all facial blemishes, and one

only which has been found thoroughly efficient in every case upon which it has been tried. If you will give a fair trial to Madame A. Ruppert's Face Bleach it will remove every blotch, blemish or imperfection which may now disfigure your cheeks. It opens and cleanses the pores, and is an absolute health promoter. Her Egyptian Balm is a softener of the skin, and an invaluable aid to Face Bleach. Her Hair Tonic is the best, which is sold for its purposes, the removal of dandruff and all other impurities. Her Gray Hair Restorative returns the hair to its old shade, does not discolor the skin and is in fact a restorer, not a dye. Her Depilatory, in the space of three minutes, removes all superfluous hair without pain or harm. Her Almond Cream Hand Lotion and Almond Oil Complexion Soap are peerless for their purposes. Face Bleach, \$2 a single bottle; Egyptian Balm, \$1; Hair Tonic, \$1; Gray Hair Restorative, \$2.50.
