#### For White Supremacy.

J. N. London, Esq., of No. 5 township, brings encouraging reports from his section of the country. He says Populists and old line Republicans are going to vote the Democratic ticket. They are for white supremacy and are tired of fusion rule. No. 5 will do better this year than she has ever done before.—Shelby Star.

#### The Nation's Mission.

The mission of the United States regarded in its broadest aspect, is not to undertake to right the wrongs of the entire world. Great as the American people are, they will run the risk of making a conspicuous failure if they spread their influence out so thin as to cover the case of distressed humanity all over the globe. There is enough to do within the natural scope of our national influence, and we are doing it as well as we can. Something has to be left to other nations, and we shall not shirk our duty in leaving the Philippines.—Boston Post.

#### The Outlook in Beaufort.

There is ample ground for the belief that old Beaufort county will swing again this year into the Democratic column. There is not a precinct in the country from which we have heard in which the honest Populists would not aid the Democrats this year.—Washington Gazette.

Two car-loads of sick soldiers of the Ninth New York Volunteers arrived in New York yesterday from Camp Thomas, Chickamauga. The men were convalescent from rheumatism, malaria and typhoid fever, and were in fairly good condition. Orderly Robert Stanley, in whose charge the men were, was especially bitter against some of the surgeons at Chickamauga. He said they did not show any respect for the dead. The orderly declared that when Charles Nunn died, between 7 and 8 o'clock last Saturday evening, his body was not permitted to rest in quiet. He declared that before 10 o'clock p. m. the surgeons were at work cutting up his body to perform an autopsy. The orderly also cited the case of Private Graham and declared that an autopsy was being made on his body an hour after his demise.

#### Democratic Senatorial Convention.

The Democratic Convention for the 26th Senatorial District, composed of the counties of Rowan, Davidson and Forsythe will be held at the court house in Lexington, Davidson county, on Saturday the 17th day of September, 1898, at 12 o'clock for the purpose of nominating two candidates to represent said district in the next General Assembly and for the transaction of such other business as may properly come before it.

By order of the Committee.  
F. C. ROBBINS, Chm.  
Aug 22, 1898.

#### Beats the Klondike.

Mr. A. C. Thomas, of Marysville, Tex., has found a more valuable discovery than has yet been made in the Klondike. For years he suffered untold agony from consumption, accompanied by hemorrhages; and was absolutely cured by Dr. King's New Discovery for Consumption, Coughs and Colds. He declares that gold is of little value in comparison with this marvelous cure; would have it even if it cost a hundred dollars a bottle. Asthma, Bronchitis and all throat and lung affections are positively cured by Dr. King's New Discovery for Consumption. Trial bottles free at Theo. F. Klutz & Co's drug store. Regular size 50c. and \$1. Guaranteed to cure or price refunded.

#### Spencer School.

Miss Bessie Freeman, of Albemarle, arrived this morning and will assist in teaching the pay school at Spencer during the next session which opens Monday. Prof. F. E. Shuford, of Shelby, who had charge of the school last session will have the same position this year.

#### Bring Home a Bride.

Mr. Chas. W. Thomas, who went to Jonesville, S. C., Sunday morning, returned home last night and surprised his home people and friends by bringing with him a bride.

He and Miss Mary Hale, of Jonesville, went out riding Sunday morning, returned home last night and surprised his home people and friends by bringing with him a bride.

Mr. and Mrs. Thomas will live in Salisbury.

#### Operation Performed.

Dr. Clark, of Old Fort, was here last night returning from Philadelphia to which place he had accompanied Clyde, son of Engineer W. P. Terrell. Clyde's brother, Albert, also went and is still with him in Philadelphia.

Two years and a half ago Clyde was struck in the head with an axe but the wound was fixed up and he done very well for some time. But lately he had suffered considerably from the effects of the injury and it was thought best to have him taken to a hospital in Philadelphia. The operation was performed Tuesday and Engineer Terrell received a message last night stating that the boy was doing nicely.

#### Disgusted With Negro Supremacy.

In Martin county there is such a change among decent white folks as has never been seen. From every section of the county comes the most encouraging news, for the people are disgusted with negro supremacy. Never before have negroes sat in judgment on our school boards to say to whom our children should go to school. We never thought we would live to see a negro magistrate in Martin county. In some townships that cast over forty votes last election there is not one white anti-Democratic vote now. They are coming home to their first love, the white man's party.—Greenville Weekly.
