### Political Notes From Billville.

Only one office in town is seeking the man. The man owes it \$500.

This is the season when the six dollar man is after the sixty dollar office.

There are no politics in heaven. That's why some of the politicians won't go there.

We are disqualified as a candidate for superintendent of the poor house. Too many of our relatives there.

We never fought in the war, but we're going through the State campaign and that will entitle us to a pension.

It isn't so much the money that's in the office—it's just the plain, soul-filling satisfaction of beating the other fellow.

### Snakes in Wilkes.

Herb Smoak went out to the Springs Sunday, and along the way saw seven rabbits and killed a copperhead snake.

Cal. Canter last week killed the largest rattler seen in many a day and one of the young ladies of Hotel-Lithia took the hide for a belt.

Philo Emmerston, of Rock Creek, who has been breaking up wheat ground, has killed twenty-two snakes so far. He killed nineteen in one day.

Register of Deeds Blackburn, who spent Sunday at home, killed a large copperhead near the house. The other sections of the country have not been heard from.—Wilkes Chronicle.

Hobson fared better in a Spanish prison than our own troops do even in home camps.

For broken surfaces, sores, insect bites, burns, skin diseases and especially piles there is one reliable remedy, DeWitt's Witch Hazel Salve. When you call for DeWitt's don't accept counterfeits or frauds. You will be disappointed with

DeWitt's Little Early Bile Beans are pleasant, easy, thorough little pills. They cure constipation and sick headache just as sure as you take them. James Plummer.

Samuel Stout of Newcomb, Ill., who has just been granted a patent for a farm gate, is the oldest person to whom a patent has ever issued. He is said to be 82 years of age.

More than twenty million free samples of DeWitt's Witch Hazel Salve have been distributed by the manufacturers. What better proof of their confidence in it's merits do you want? It cures piles, burns, scalds, sores, in the shortest space of time. James Plummer.

One Minute Cough Cure surprises people by its quick cures and children may take it in large quantities without the least danger. It has won for itself the best reputation of any preparation used today for colds, croup, tickling in the throat or obstinate coughs. James Plummer.

### NEW REGISTRATION.

By reason of the establishment of a new precinct to be known as Spencer precinct, and changes made in the boundary lines of others, there will be an entirely new registration of electors for the election to be held on Tuesday, next after the first Monday in November, 1898 in the following precincts of Salisbury township to-wit:

North Ward.  
South Ward.  
East Ward.  
West Ward.  
Spencer.

Due notice of the time and places of registration will be given. September 2, 1898.
