New Deal by the Southern.

Louisville, Ky., Sept. 16.—The Evening Post to-day prints the following:

A railroad deal of more than ordinary interest is rapidly progressing to a successful termination and in a short time the formal announcement will be made that the Southern Railway has acquired control or possession of the St. Louis Air Line (L. E. & St. L.) and of the Kentucky & Indiana bridge crossing the Ohio at Louisville. This will give the Southern an entrance into Evansville and St. Louis, points which it has long desired to touch, and it will be a direct competitor for business from these points and would have a voice in the making of rates between these two cities, which privilege it does not now enjoy.

It looks like the irony of fate when a soldier goes safely through the torrid experiences of the Santiago campaign and then dies of sunstroke in Saugerties, N. Y.—Buffalo Express.

About the time a man begins to have good common sense old age makes him childish and he can't use it.

For broken surfaces, sores, insect bites, burns, skin diseases and especially piles there is one reliable remedy, DeWitt's Witch Hazel Salve. When you call for DeWitt's don't accept counterfeits or frauds. You will not be disappointed with DeWitt's Witch Hazel Salve. James Plummer.

You invite disappointment when you experiment. DeWitt's Little Early Risers are pleasant, easy, thorough little pills. They cure constipation and sick headache just as sure as you take them. James Plummer.

More than twenty million free samples of DeWitt's Witch Hazel Salve have been distributed by the manufacturers. What better proof of their confidence in it's merits do you want? It cures piles, burns, scalds, sores, in the shortest space of time. James Plummer.

One Minute Cough Cure surprises people by its quick cures and children may take it in large quantities without the least danger. It has won for itself the best reputation of any preparation used to-day for colds, croup, tickling in the throat or obstinate coughs. James Plummer.
