### EXQUISITELY FEMININE.

The Spanish Woman Takes Love Very Seriously.

Boston Herald.

The Spanish women are ardent in temperament, less so in their northern provinces than in central and southern Spain, and they are jealous and devoted. They take love very seriously. It would be impossible for them to comprehend how a girl could pass through many engagements. When they marry they are faithful, and they exact like loyalty of their husbands, but are not always so sure of it.

But, on the whole, Spanish households are happy, and the sense of home is very strong in the hearts of the masses of the Spanish nation. To say that there are no frivolous women in Spain, no coquettes, no faithless women would be to say that Spain is paradise and has a carefully selected population; but it is a fact not to be set aside that Spanish women are noted for their virtue and their passionate devotion to the man of their choice.

The Andalusian goes abroad to see and be seen; she could not understand that her beauty, her great and eloquent eyes and her pretty feet were not to be admired of men. But she is just as good a woman as if she fed on prunes and kept a prism in her mouth. When she was moulded, the Bon Dieux was contented; here was something exquisitely feminine, enchanting and a great gift for man. If Adam had married an Andalusian he would never have got off so easily after his cowardly performance. His black-eyed Eye would have given him a piece of her mind, and perhaps have transfixed his heart with a little shining dagger, and so we should all of us have been saved the bother of this world and the swarm of theologians who have gone mad interpreting the riddle of the universe, laboriously cracking empty nuts.

Henry Wendhoff, of Mauch Creek, Aa., is perhaps the only armless and legless millionaire on earth. He was dismembered in a railroad accident 20 years ago. Mr. Wendhoff has four artificial limbs which cost him \$25,000, and with these he manages to get along very well. He weighs 200 pounds and is of an unusually cheerful disposition.

DeWitt's Witch Hazel Salve has the largest sale of any Salve in the world. This fact and its merit has led dishonest people to attempt to counterfeit it. Look out for the man who attempts to deceive you when you call for DeWitt's Witch Hazel Salve the great pile cure. James Plummer.

A stubborn cough or tickling in the throat yields to One Minute Cough Cure. Harmless in effect, touches the right spot, reliable and just what is wanted. It acts at once. James Plummer.

'Tis autumn now—that glorious time when woods are clothed with bright-hued leaves—and politicians take the stump and calmly call each other thieves.—Orange (Va.) Observer.

More than twenty million free samples of DeWitt's Witch Hazel Salve have been distributed by the manufacturers. What better proof of their confidence in its merits do you want? It cures piles, burns, scalds, sores, in the shortest space of time. James Plummer.

One Minute Cough Cure surprises people by its quick cures and children may take it in large quantities without the least danger. It has won for itself the best reputation of any preparation used to-day for colds, croup, tickling in the throat or obstinate coughs. James Plummer.

Truth wears well. People have learned that DeWitt's Little Early Risers are reliable little pills for regulating the bowels, curing constipation and sick headache. They don't gripe. James Plummer.
