### The Winston Tobacco Fair.

You can have a good time if you go to the Tobacco Fair to be held there in November, which continues for three days and which is free to everybody. There will be plenty of music as there will be three excellent bands to furnish music for the occasion. You will have the pleasure of seeing a midway where all kinds of shows can be seen and many other attractions too numerous to mention.

The railroads offer reduced rates and you will miss a treat if you fail to go. Remember the dates which are November 2nd, 3rd and 4th.

### Miss Lizzie Gilmer Dead.

We clip the following from yesterday morning's Charlotte Observer:

Miss A. Elizabeth Gilmer died at Mt. Airy Tuesday night at 11 o'clock. The deceased was the daughter of Mr. Robert Gilmer, now 90 years old and the only remaining member of the Gilmer family of his generation. His brother's, John A. Gilmer, General Jeremy Gilmer and Joseph Gilmer, all died several years ago. Miss Gilmer was about 63 years of age. She spent her early and middle life in teaching, but of late years had devoted herself entirely to her aged father and mother. The latter died a few years ago.

Miss Gilmer is well remembered here, having taught school in the Presbyterian high school for two sessions. Her many friends in Salisbury will regret to hear of her death. She was a most estimable lady and was held in high esteem by all who knew her. The writer attended the Presbyterian school while she was teacher and recited lessons under her and knows of her worth. Along with her Salisbury friends the Sun extends sympathy to her relatives.

### Yellow Jaundice Cured.

Suffering humanity should be supplied with every means possible for its relief. It is with pleasure we publish the following: "This is to certify that I was a terrible sufferer from yellow jaundice for over six months, and was treated by some of the best physicians in our city and all to no avail. Dr. Bell, our druggist, recommended Electric Bitters; and after taking two bottles I was entirely cured. I now take great pleasure in recommending them to any person suffering from this terrible malady. I am gratefully yours, M. A. Hogarty, Lexington, Ky." Sold by Theo. F. Klutz & Co., druggists.

### An After Dinner Speech

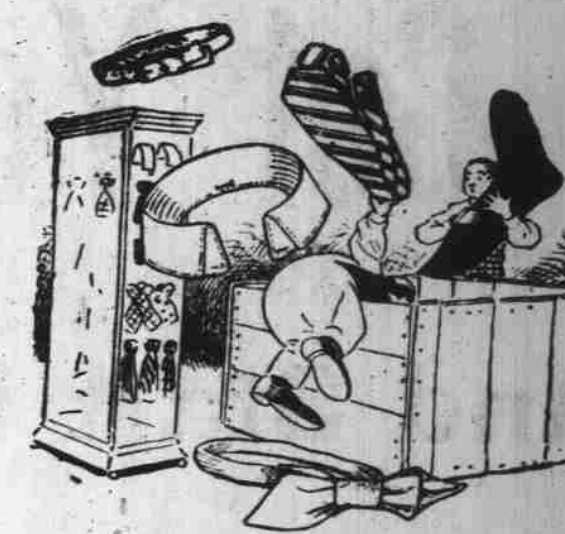

made by a bon vivant who knows a good thing when he tests it, says: "In responding I may say that I never eat a better dinner, and as I am told the excellent things we have eaten came from T. M. His Coffee, Teas, table delicacies from all parts of the world and everything kept in his stock is summed up in one word, UNEXCELLED.
