And what? Jackets, did you say? Sure, and they have them pretty enough to make any girl look sweet. You can find Gray, Tan, Blue and Black.

Wait a minute! If those do not please you, we will look at the

Got It Through the Head

of every builder and contractor in the city at last that I keep the finest stock of kiln dried lumber and sell it at a greater inducement in price than they can find on the market elsewhere. Competition is strangled by my prices when the high grade quality of my stock is considered. No delays in filling orders.
