Good One on a Lawyer.

A good story is being told around Greensboro, says the Record, on a lawyer, to the effect that the other night a man, awfully drunk, was found in his yard, a razor and another weapon or two being found on him; that the lawyer had him arrested and said he would make it hot for him and show him that he could not get drunk in his "backyard" with impunity, but when the trial came off the lawyer was found to be defending instead of prosecuting him.

All-Around Church Differences.

"How do the two churches here get along?" asked the drummer, who was new to the place.

"Mister," said the village skeptic, they air so eternally at outs that even the weathervanes never point the same way."—Indianapolis Journal.

An egg-shaped church is to be built in Buffalo, N. Y., which is said will be one of the oddest shaped buildings in the world. The Mormon Temple in Salt Lake City is egg shaped and although a very large building, it is said that the acoustics are so perfect that a pin scratch on a hat can be heard from one end to the other.

What a queer thing human nature is! We see people every day who are apparently surrounded by all the conditions of happiness and wealth, and yet wear a haggard look. Then we see other men who are under the charge of the policeman being taken to the lock-up with an expression of perfect contentment on their faces.—Winston Journal.

Old maidism is preferable to unhappy wifeism.

Yellow Jaundice Cured.

Suffering humanity should be supplied with every means possible for its relief. It is with pleasure we publish the following: "This is to certify that I was a terrible sufferer from Yellow Jaundice for over six months, and was treated by some of the best physicians in our city and all to no avail. Dr. Bell, our druggist, recommended Electric Bitters; and after taking two bottles, I was entirely cured. I now take great pleasure in recommending them to any person suffering from this terrible malady. I am gratefully yours, M. A. Hogarty, Lexington, Ky." Sold by Theo. F. Kluttz & Co., druggist.

Sad.

"The most heart-rendering sight I know of," remarked the cynic, as he snapped the ash from his cigarette, "is an excited woman at an auction bidding against herself."—Detroit Free Press.

Puzzled the Briton.

The American is the quickest man in the world to turn whatever is the news of the day into his conversation. This is why an Englishman glanced at the man who gave a hurry order in a Broadway restaurant: "Roast beef, rare. Don't want it embalmed either."—New York Sun.

The most of man's contentment is due to his ignorance.

The smallest things may exert the greatest influence. De Witt's Little Early Risers are unequalled for overcoming constipation and liver troubles. Small pill, best pill, safe pill. James Plummer.

La Grippe is again epidemic. Every precaution should be taken to avoid it. Its specific cure is One Minute Cough Cure. A. J. Sheperd, Publisher, Agricultural Journal and Advertiser, Elden, Mo., says: "No one will be disappointed in using one Minute Cough Cure for La Grippe." Pleasant to take, quick to act. James Plummer.

Paul Perry, of Columbus, Ga., suffered agony for thirty years, and then cured his Piles by using De Witt's Witch Hazel Salve. It heals injuries and skin diseases like magic. James Plummer.
