SHOT LAST NIGHT.

A. D. SHUPING PERHAPS FATALY INJURED.

P. F. Hedrick Was Called From His Room at 11 O'clock—He Shot Mr. Shuping—A Deplorable Affair.

A most deplorable shooting affair occurred in this city, on South Lee street, last night at 11 o'clock.

This morning the talk of the town was about the affair.

The shooting took place near Mrs. Ray's boarding house.

It was impossible to-day to get at the straight of the affair, because two of the principals refused to make statements and the third is in a critical condition at the Whitehead-Long sanatorium, and was not asked to make a statement for the paper.

As near as we could ascertain the facts in the case are as follows, barring of course, the immediate happenings of the shooting as there was no eye witness except those connected with the affair:

Yesterday Mr. P. F. Hedrick, a young man, unmarried, was here from Lexington. He formerly lived here and yesterday he stopped at his old boarding house, Mrs. Ray's.

He was at that place asleep last night at 11 o'clock when Mr. A. D. Shuping and Mr. David Mauney, married men, of the city called upon him, to settle a matter, the nature of which can not be published here, because of the refusal of the men to talk for publication.

Mr. Jim Sloan, a boarder was still up reading and he answered the knock of the visitors. They, or one of them, asked for Mr. Hedrick and he was awakened. He dressed himself and accompanied the visitors to the street in front of the house.

The conversation which followed will not be known until the case comes to trial. In a short while, however, after the party of three had gotten together, two pistol shots were heard and then Mr. Hedrick re-entered the house and stated that he had killed one of the men.

He had shot twice with his pistol, a 38, but only one bullet took effect. It entered Mr. Shuping's body between the first and second rib, near the sternum, passed through the right lung near the large blood vessel, and lodged just under the skin in the back.

Shortly afterwards Hedrick was arrested and Mr. Shuping was taken to the Whitehead-Long sanatorium where he is now in a precarious condition. He has copious internal hemorrhages, and there is only a slight chance of his recovery.

When Mr. Hedrick was arrested his pistol had no empty chambers. He told the officer that he had shot in self defense and then had refilled his pistol to be ready if they came back.

Mr. Hedrick was taken to the city hall where he was kept till noon today. Mr. Mauney was arrested at his boarding house after midnight, and today the two were committed to jail to await a change in Mr. Shuping's condition.

A Visit to the Parsonage.

On Friday evening of the 24th of February, several ladies visited the parsonage at Union E. L. Church.

The rap at the door was answered by Mrs. Brown. They at once inquired as to the whereabouts of their pastor Rev. C. A. Brown. He was soon found and ushered into the presence of the ladies. Before he had hardly time to say anything and compose himself, the spokes-woman presented him and Mrs. Brown with a very beautiful and durable quilt for which they were very thankful.

These tokens of kindness and appreciation on the part of the church members may seem insignificant and of little worth, but to the pastor and his wife they mean much.

ON SUSPICION.

A MAN ARRESTED YESTERDAY BY POLICEMEN.

A Couple of Trunks Found in His Possession, Containing Ladies Apparel and Jewelry.

Policemen Torrence and Cauble yesterday evening arrested B. J. "Bona" Johnson, white, on suspicion of having stolen goods in his possession.

Two trunks in the possession of Johnson were taken by the officers to the city hall and their contents examined.

The following is a partial list of the articles found in the trunks:

Two silk quilts, one of them bearing the date, 1876 and the initials E. R. H. at another place; five blankets, three sheets bearing the name J. H. Howell and numbered 2, 3, and 4; a piece of wrapping paper was also found addressed to Mr. Howell, Asheville, N. C., having been sent by mail. There were towels, a lady's satin skirt, two white counterpanes, piece canton flannel, a table cloth, portiere curtain, pillow rest, children's underclothes, lady's cape (dove colored) worked in black, pillow shams, jewelry case having in the bottom the firm name of "D. F. Greenwood & Bro.," Norfolk, Va., containing a watch key and his (Johnson's) name. A wine glass, lantern and other articles were also found in the trunks.

A silver box, containing two watches, supposed to be Johnson's property, had been pawned by a woman and was found by the officers.

The trunks, Johnson claimed, were received here by freight about ten days ago by him. Upon inquiry at the freight depot the officers found there was no record of the trunks being received.

There were originally three trunks. One of them was shipped away from here by freight several days ago. Officers say that this trunk will be looked after.

Yesterday Johnson had a colored woman trying to sell his articles for him, and she was offering them cheap.

The name, Mrs. M. Perry, appears on one of the trunks. The trunks are square and look as if they had been shipped about considerably.

Detective Greer and Policeman Geo. C. Eagle were present when the arrest was made.

Johnson is to be given a hearing this afternoon.

Johnson is a medium sized man and will weigh about 140 to 150 pounds, light complexion and smooth face. He has been here about four weeks. He claims he married Miss Minnie Brown, of New York, at Weldon about four years ago, that she lived only a short while, that he shot a man in Halifax and was sent to the penitentiary for two years—his term expired January 25th. He claims to be 20 years old. When arrested a pistol was found on his person.
