There is no argument

in favor of paying more than \$10 for any make of wheel in the world, when that is the price of popular wheels which have been leaders for so many years and are leaders still, the

Rambler

BICYCLES

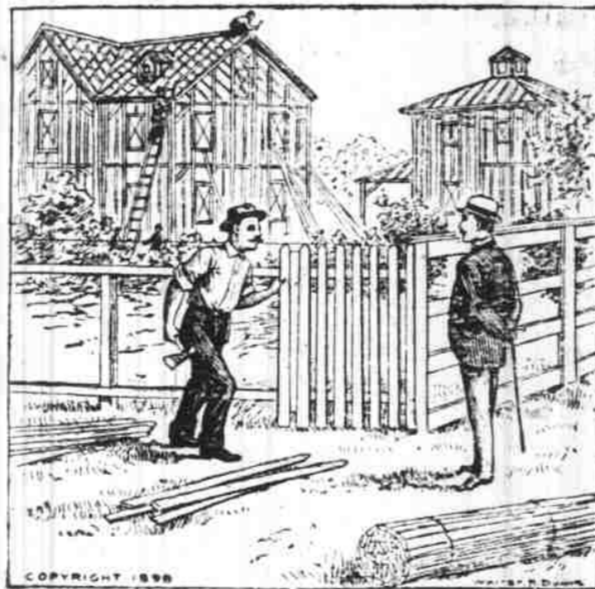

"pioneer, 20 year old wheels"

Price \$40

Twenty years' experience has taught RAMBLER makers how to build the best wheels on earth cheaper than anyone else, and they are doing just that.

BUILDING AND FENCING OPERATIONS.

Since the return of favorable weather conditions, have again been resumed and happily for my eager customers I have in stock an immense quantity of material awaiting their demands. A great source of supply backed up by popular prices must of necessity result in heavy sales. The supply is being replenished daily.

stock is \$1,000,000, that the plan of getting the Atlantic & North Carolina Railroad is by no means abandoned. Two years hence it will come up again before the Legislature.

As the season of the year when pneumonia, la grippe, sore throat, coughs, colds, catarrh, bronchitis and lung troubles are to be guarded against, nothing "is a fine substitute," will "answer the purpose," or is "just as good" as One Minute Cough Cure. That is the one infallible remedy for all lung, throat or bronchial troubles. Insist vigorously upon having it if "something else" is offered you. James Plummer.

FOR SALE.

I offer for sale the 2-story brick residence on Inniss St, where I now live; the 2-story 9 room frame building next door to my residence. Both of these buildings are in good condition and very desirable lots. I also offer my interest in house and lot on Inniss street, near public square, formerly the residence of the late B. F. Fraley. Any person desiring a good home would do well to see me at once. W. C. FRALEY.

WOOD! WOOD!!

I have contracted with parties to furnish me four car loads of Wood each week, and am now prepared to furnish all customers with wood, by the load or by the cord, just as preferred. Give me your orders.

A. M. BASINGER.

CASH! CASH!

Will be paid for all old scrap iron, lead, zinc, brass and copper. Old brass valves, etc., if brought to the foundry. P. H. THOMPSON, Salisbury, N. C.
