Economy Clothing Store, The Bargain Givers.

"The World, his smiling face washed clean
In tepid April showers,
Draws on his Maytime coat of green
And buttons it with flowers."

"Then to the planets far and near,
A-visiting he goes,
To show them, as we show you here,
The proper style in clothes."

That's it exactly—we show THE SUPER STYLE. We are careful of our stock and of the values we show. We'd rather sell you NOTHING than to sell you something poor. We are writing a short "ad." this time because we were RUSHED so Saturday that we didn't have time to write.

The Reason is Plain:

We wait on every customer with PERFECT courtesy and they love to come back again. Then, too, our store is CROWDED with values.
