10 Cents Per Week

call on

VOL. V. NO. 88.

SALISBURY, N. C., THURSDAY EVENING, JUNE 8, 1899.

GROSS MISREPRESENTATIONS.

White People.

COLUMBUS, O., June 5, 1899. in one of the churches of this city, from Salisbury, N. C., addressed question. the South.

Now the writer is not a negro ored man live and prosper. We the negro in the South.

Below we give extracts of few of the many remarks the speaker made:

thirty men were shot down just for fun." "Fifty infants starved to death

while their mothers were fugitives just outside the city." He described a Jim Crow car as being an apartment 10 by 12 feet and twelve colored men and wo-

men and as many spittoons as

there were people. The filth and smoke "almost made him sick." "The maximum wages of the negro is twenty-five cents per day and he can't get much work at Information Wanted.

had been lynched since the civil lie Brown. He has been at the as the canvass must close on the war just because they were black, orphanage at Oxford, but ran a- 24th inst., to give time to formuand that thousands of them were way, Saturday, May 27th. He is late and present the final report, being lynched to-day and their 11 years old, has brown eyes, light for the action of the Synod. Northern friends knew nothing of hair and is a fair sized boy for his On motion the committee ad-
