### Bound Over to Court.

The case against the directors, manager, clerk and porter, respectively, of the Greensboro dispensary, charged with selling liquor to a minor, was tried before Squire Eckle to-day. The case is the same one mentioned in the Telegram some time ago, when John Stack complained against the defendants for selling whiskey to his son, who is a minor.

After hearing the evidence in the case Squire Eckle bound the directors over to court, upon their own recognizance. The clerk and porter were dismissed.—Greensboro Telegram.

### An Infanticide Case.

Hickory, July 21.—The trial of Freeman Huffan and wife and Daisy Killiam, charged with infanticide, which has been going on in the city magistrate's court for the past three days, terminated this evening. The defendants were bound over to the next term of Catawba Superior Court in the sum of \$100 each. This was one of the hardest fought cases that the writer has ever attended, and the term of court will perhaps be one of the longest on docket. The lawyers for the defendants were Messrs. Self & Whitener and T. D. Huffam, of Hickory. The prosecutors were Solicitor Harshaw and Messrs. Feimster & Yount, of Newton.—Charlotte Observer.

### Murder at Red Springs.

Maxton, July 21.—This afternoon about 5 o'clock a negro named John Monroe shot and instantly killed Mr. Atkinson, the town marshal of Red Springs. The negro made his escape. Bloodhounds have been wired for and will be on the trail by 8 o'clock. No particulars are obtainable.

Gun-shot wounds and powder-burns, cuts, bruises, sprains, wounds from rusty nails, insect stings and ivy poisoning—quickly healed by DeWitt's Witch Hazel Salve. Positively prevents blood poisoning. Beware of counterfeits. "DeWitt's" is safe and sure. James Plummer.

A diseased stomach surely undermines health. It dulls the brain, kills energy, destroys the nervous system, and predisposes to insanity and fatal diseases. All dyspeptic troubles are quickly cured by Kodol Dyspepsia Cure. It has cured thousands of cases and is cutting them every day. Its ingredients are such that it can't help curing. James Plummer.

### Robbers in Thomasville.

The work of experts is plainly seen in a robbery at Thomasville last night, reported to our police this morning.

The store of J. M. Marsh & Company was entered during the night and shoes, clothing and pistols were taken away in great quantities, while the safe in the store was blown open and a thousand dollars in cool cash was taken.

Of course there is no clue whatever, but the work shows that there must have been a good big gang of them and that they were professionals. There is no bank in the place and it is necessary for money to be kept over night in the store safe, which was supposed to be burglar proof as well as fire proof, the idea being that to blow it open would take fine work and that the noise would wake up the whole town.

But as a matter of fact it didn't and the robbers slipped away as quietly as they came.—Greensboro Record.

### Mr. Vernon and the Kissing Bug.

The Greensboro Record has this on the changed appearance of Mr. R. L. Vernon:

The much talked of kissing bug must have been down this way. Mr. R. L. Vernon, the affable traveling passenger agent of the Southern, was in town last evening and is minus his moustache. He was reticent as to the cause, but a friend volunteered the information that a kissing bug, in trying to "buss" him, became tangled up in his beard and he concluded to shave it off, fearing poison. Any way it is off and he looks decidedly kiddish.

A terrible storm visited portions of Turnersburg and Eagle Mills townships Monday afternoon between 2 and 3 o'clock. It was very destructive just north of Harmony.—Statesville Mascot.

DeWitt's Little Early Risers expel from the system all poisonous accumulations, regulate the stomach, bowels and liver, and purify the blood. They drive away diseases, dissipate melancholy, and give health and vigor for the daily routine. Do not gripe or sicken. James Plummer.
