WITH THE CHURCHES.

New Members Received—Items of Interest to Church Goers.

A number of new members were received into the churches here yesterday. St. John's Lutheran church received two, Main Street Methodist three, First Methodist one, Faith Reformed two.

The services at the several churches yesterday were well attended. At the Baptist in the morning the Lord's Supper was celebrated and this ceremony was partaken of by more communicants than any like service in years.

Members of Main Street Methodist church will be interested in these two items: Friday at 7:30 p. m. a steward's meeting will be held at the parsonage. Saturday at 5 p. m. the Woman's Home Mission Society will meet at the parsonage.

At a meeting of the Pastor's Association this morning it was decided that in the future the Sunday night services should begin at 7:30 instead of 7 as at present.

Rev. L. E. Busby preached an exceptionally strong and interesting sermon at the Lutheran church last night from the subject "The saddest and strangest request in New Testament history." His remarks were based on the miracle of the devils being cast out of the two men and into the swine, and the people of the city hearing of these things met Jesus and requested him to depart from their country. In closing Rev. Busby made local application of the subject, saying there were people in Salisbury who would drive Christ out of Salisbury. He scored the saloons, drunkards, gamblers and all manner of evil in our midst.

Next Sunday morning Rev. Mr. Busby announced that he would speak from the subject of "National purification, or the cleansing of Utah."

Addition to Mill.

Mr. Tom McNeely, superintendent of a cotton mill at Norwood, spent yesterday here, returning to his work this morning. He tells us the addition to his mill is about completed, the machinery has been received and will soon be running.

A Special Forecast.

The following special weather forecast was received from the station at Raleigh yesterday. It was as near correct as a forecast could be:

After this meeting Rev. Atkins wants a conference with the young men of the church.

The funeral service will be conducted from the house this afternoon at 4 o'clock, and the interment will be made at Chestnut Hill.

Mrs. Emma T. Roberts died at Spencer Saturday night about 10 o'clock, aged 34. Death was caused by meningitis. The body was prepared for burial by undertaker Wright and was taken to Chase City, Va., yesterday morning for interment, accompanied by the husband and Mr. and Mrs. J. A. Morton.

The body of Mr. and Mrs. Roberts' infant which was buried recently was also taken to Chase City yesterday to be finally interred beside the body of the mother.

Mrs. E. H. Rouche died at 12 o'clock today, after lingering on her sickbed for five months.

It will be a mass meeting and all party prohibitionists are invited to attend, and none will be recognized who favor the sale, or the manufacture or the transportation of spirituous liquors as a beverage."

Watch Out for Them.

Counterfeit nickels have been discovered recently in some towns. It would be well to look out closely for such in Salisbury, as many new nickels are now floating around.

Discovery was made a few days ago that a large quantity of excellent counterfeit nickels had been made in the Virginia State penitentiary at Richmond.

We do not know that any counterfeit nickels are in circulation in Salisbury, but merely mention the matter so that persons can be on their guard and not have any passed on them.

Bishop Galloway.

It is announced that Bishop Charles B. Galloway, of Jackson, Miss., will soon visit North Carolina. He will spend at least one week in the bounds of the Western North Carolina conference in the interest of the twentieth century thank offering fund. REV. J. F. TUTTLE DEAD.

Former Salisbury Pastor Dies at Elizabeth City.

The news of the death of Rev. J. F. Tuttle will be learned with much regret in Salisbury, where Mr. Tuttle has a large number of friends.

He was for a number of years pastor of the Baptist church here and is well and favorably remembered by our citizens.

The news of Mr. Tuttle's death is taken from yesterday's Charlotte Observer:

"The papers contain accounts of the death at Elizabeth City, last week, of Rev. J. F. Tuttle, one of the best known Baptist ministers in the State. He has labored in almost every section of the Commonwealth, his latest charge in this section having been at Salisbury. Mr. Tuttle was a one-armed ex-Confederate, and was highly regarded by all who knew him. His death resulted from pneumonia."

He Was Wrathful.

A passenger on a train from Charlotte the other night was relating an amusing incident to-day. Some man, fairly well dressed and of intelligent appearance, boarded the cars at Charlotte. When the conductor appeared for his ticket the man said he had paid his fare. After a lot of jawing back and forth he said he paid it to the conductor himself while in the next coach. Of course the conductor denied it and when the train reached Salisbury he put him off, but in some way he managed to beat his way to High Point. At this place he secured a pistol—after the train had departed—and boarding another going south, said he was going back to shoot that conductor for ejecting him, when he knew the man he wanted had gone in the opposite direction, which will remind one that the man was very much like the average beligerent citizen—very anxious to fight when he knows he can't find the other man.—Greensboro Record.

Old War Prisoner Here.

Col. W. H. Thompson, of Indiana, who was confined in the Confederate prison here during the civil war, was a visitor here today for the first time since his imprisonment. He was very much astonished at the growth of the town, and said that he loved the old place, for while he was here he was treated much more kindly and humanely than prisoners of war generally are. "And not only I," said he, "but all the prisoners. While I was here I never saw anything that savored of brutality or inhumanity."—Salisbury correspondent Raleigh Post.

Kates, of Richmond, the general superintendent of the Southern division of the Postal Company, were in Charlotte Friday and Saturday, and left Saturday night for Richmond. Vance Monument Unveiling.

It is proposed to make the unveiling of the Vance monument in Raleigh next May—probably the 20th—a memorable occasion.

The Confederate Veterans' Association this year meets at Louisville, Ky., too far away for many veterans to attend. So it is the intention of the old soldiers of the State to make the unveiling of the Vance monument a sort of reunion. And in this, it is understood that they will be largely joined by the veterans of South Carolina.

The railroads have already indicated their purpose to give a low rate for the occasion; and it is expected that this, together with the love the people of North Carolina bear to him whose monument is to be unveiled, will bring a great crowd of people to Raleigh.
