Royal Baking Powder

Makes the bread more healthful.

Safeguards the food against alum.

Alum baking powders are the greatest menaces to health of the present day.

ROYAL BAKING POWDER CO., NEW YORK.

Does Not Favor the Measure.

We do not agree with the advocates of a measure to draw the racial line in collecting and apportioning the school fund if even it were constitutional. The negro should have every opportunity to rise but not the privilege to aid the worst white element in the land to drag the great mass of better white people down on a level with themselves and that element that would them for sinister purposes. The schools should remain open to the negro but the ballot box should be carefully contracted.—Concord Standard.

A Monster Devil Fish

Destroying its victim, is a type of Constipation. The power of this murderous malady is felt on organs and nerves and muscles and brain. There's no health till its overcome. But Dr. King's New Life Pills are a safe and certain cure. Best in the world for Stomach, Liver, Kidneys and Bowels. Only 25 cents at Theo. F. Klutz & Co's drug store.

This season there is a large death rate among children from croup and lung troubles. Prompt action will save the little ones from these terrible diseases. We know of nothing so certain to give instant relief as one Minute Cough Cure. It can also be relied upon in grippe and all throat and lung troubles of adults. Pleasant to take. James Plummer.

The Brand of the Dollar.

You may grind and screw your neighbor
Out of every cent he owns;
You may fry his whole life's fatness

Leaving naught but shining bones
Go and kick the underpinning
When the poor folks try to climb
Up to things that promise better,
Go spend your leisure time
Pulling cash away from others,
Till your purse is fat and strong,
Till your credit is established,
And your bank account is long,

That's all true
But mark you,
Some time or other, as sure as
the day
Justice will come and you'll get
your pay!
Justice will come and examine
the brand
Made by the dollar you held in
your hand!

—Rural New Yorker.

When threatened by pneumonia or any other lung trouble, prompt relief is necessary, as it is dangerous to delay. We would suggest that One Minute Cough Cure be taken as soon as indications of having taken cold are noticed. It cures quickly and its early use prevents consumption. James Plummer.

Cold Steel or Death.

There is but one small chance to save your life and that is through an operation," was the awful prospect set before Mrs. I. B. Hunt, of Line Ridge, Wis., by her doctor after vainly trying to cure her of a frightful case of stomach trouble and yellow jaundice. He didn't count on the marvelous power of Electric Bitters to cure Stomach and Liver troubles, but she heard of it, took seven bottles, was wholly cured, avoided surgeon's knife, now weighs more and feels better than ever. It's positively guaranteed to cure Stomach, Liver and Kidney troubles and never disappoints. Price 50c at Theo. F. Klutz & Co's drug store.

A Girl's Way.

A maiden with an anxious heart
Sat waiting patiently;
At every sound she gave a start,
Exclaiming: "Ah! 'Tis he!"
At last he came and sat,
And when she looked in sight
She cried: "I'd quite forgotten that
You said you'd come to night."

The most soothing, healing and

antiseptic application ever devised is DeWitt's Witch Hazel Salve. It relieves at once and cures piles, sores, eczema and skin diseases. Beware of imitations. James Plummer.

She Knew.

A clergyman while catechizing his Sunday-school a few weeks ago had occasion to ask the children the meaning of the word "epistle." A little girl in the youngest class was so certain that she knew that she did not hesitate a minute, but with the greatest of confidence answered: "An epistle is the wife of an apostle."

The negro problem could be

solved to a large extent if the surplus of the race in large cities would seek work on farms, where they would be better cared for than the huddling together in the cities, where many are compelled to live in idleness.—Baltimore World.
