A movement is on foot to secure belp for the Salisbury hand from the city government. The band members, we learn, have not made any request of the city government for financial aid but others who are interested in the band are

FREE-FOR-ALL FIGHT.

Deputy Sheriff Ab Rice went to Rockwell yesterday and in company with Deputy Shoe captored three negroes who were wanted for an affray. Will Russell, the central figure in the affray, was brought up Wednesday night and placed in jail. Of the three who were caught yesterday two gave Civil Service Examination bond but the third, Dave Roseman, failing to secure bondsmen, was brought to Salisbury and jailed.

Russell is a notorious character and gave the officers here much trouble last Fall.

Arrest at Spencer.
