A Statement Given out as to how Many Machinists Have Entered on the Strike so Far.

Dunkirk, N. Y., May 21.—Seven hundred machinists employed in Brooks' Locomotive Works struck this morning for nine hours a day and 124 per cent increase in wages.

Following is a statement of the number of men out at important points: Hartford, Conn., 1,000; Ansonia and Derby, Conn., 500; Hamilton, O., 1,000; Buffalo, 1,200; Seranton, 2,500; Cincinnati completely tied up and 3,000 men out; Connorsville, Ind., 200; Palestine, Tex., 200; York, Pa., 300; East Orange, N. J., 300; Oswego, N. Y., 300; Norfolk, Va., all shops out, 500. Word from other large cities is tardy in reaching here.

Mr. O'Connell said last night that up to 5 o'clock reports showed that 304 firms employing approximately 30,000 men had signed the agreement for the nine hour day or made satisfactory arrangements with the local organizations.

Pete Murphy was There.

We clip from the Charlotte Observer's account of the Elk meeting the following:

Peter Murphy—he came along now. He said an introductory word or two and then transformed himself into Col. "Windy Billy" Henderson and with regularity and persistence he was interrupted by applause every half minute that he was on the stage. Salisbury was very largely, beautifully and numerously represented by the same Peter Murphy.

Party Postponed.

Owing to the inclemency of the weather the lawn party, which was to have been given by class No. 3, of the Baptist Sunday school, has been postponed and will be given Thursday night, although ice cream and other refreshments will be served indoors tonight at the same place—the Boyden lot, corner Lee and Bank streets. Everybody is invited.

Chestnut Hill Beats Salisbury.

Salisbury went down ingloriously before Chestnut Hill's ball aggregation yesterday afternoon. The two teams met on the diamond at Henderson's Park and when the game was ended Chestnut Hill had 22 runs to its credit while Salisbury had with difficulty managed to hold on to the beginning—a goose egg. The Chestnut Hill boys were elated over their victory.

More Rain.

The city was visited by a heavy rain today and the weather bureau holds out no promise of improvement tomorrow. The forecast is: rain tonight and Wednesday. Brisk east to southeast winds and probably squalls this afternoon.

A Horrible Death for Six Men in New York Caused by a Dismantled Building Today.

New York, May 21.—Six men were killed today under tons of debris by the collapse of a dismantled building on Christie street. Two believed to have been killed showed by the wriggling of a hand that they still are alive while the remaining three escaped with more or less serious injuries. The groans and prayers of the men whose hands were exposed led to the discovery.

THE OLYMPIC GAMES.

Chicago Wins a Big Victory by Getting it for 1904.

Delegates were present from all countries. Chicago offered to put up \$100,000. At once all other nations withdrew. Then the question was narrowed down to a choice between Chicago and St. Louis.

He received a telegram last Thursday to report at New Orleans at once for the voyage, but Mr. Peacock being at Durham, standing his examination for license to practice medicine, concluded to remain and complete the examination. The ship on which he was to leave sailed Saturday. Mr. Peacock gave up a fine opportunity of seeing much of the world, but preferred rather to take up the work of his chosen profession.

TOUCHED A LIVE WIRE.

Mr. N. P. Murphy's Narrow Escape Last Night.

Our esteemed fellow citizen, N. P. Murphy, Esq., had a narrow escape from death last night. It was Mr. Murphy's first experience with a live wire and he declares it will be his last. The arc light near Mr. Murphy's residence at the corner of Church and Horah streets failed to burn last night and he endeavored to remedy the defect. In some inexplicable manner his right hand came in contact with the live wire and Mr. Murphy reeled and staggered. Fortunately he detected that he was in contact with the current before he had received the full voltage. He is slightly dizzy today from his experience.

Samples of the soil are taken and sent to Washington for analysis. The corps is working in connection with the State Agricultural Department. It is hoped that much good will result to the farmers and all others from the survey.

A preparation such as Kodol Dyspepsia Cure, which, with no aid from the stomach, will digest your food, certainly can't help but do you good. Jas. Plummer.

FIRST MEETING.

THE NEW BOARD ELECTS THE CITY OFFICERS.

OLD POLICE ELECTED.

All the Present Police Force Elected. Mr. J. Saml. McCubbins Elected City Treasurer. Much Discussion as to the Compensation of the City Tax Collector. Another Meeting to be Held To-Night. A Busy Night.

Mayor pro tem, T. H. Vanderford, Sr.

City Clerk, H. J. Overman.

Treasurer, J. Saml. McCubbins.

City Attorney, Hon. Kerr Craige.

Keeper of Cemeteries W. L. James.

Sanitary Inspector, T. A. Conway.

Policemen: J. F. Pace, Geo. C. Eagle, M. C. Torrence, B. Frank Cauble and Wm. A. Monroe.

School committeemen to fill two vacancies occurring on the board: Rev. Dr. J. Randle and Prof. R. G. Kizer.

City Weigher, Saml E. Carter.

These were the city officers elected by the aldermen at their first regular meeting last night.

And the end is not yet. For one solid hour the aldermen grappled with the knotty proposition as to what compensation should be allowed the tax collector with the result that action was postponed until a meeting to be held tonight.

The board was called to order by Mayor Boyden, who inquired as to the pleasure of the board. On motion it was resolved to go into the election of city officers. The result was as stated above. In the matter of sanitary keeper Mayor Boyden made a feeling and an eloquent talk for the better care of our cemeteries and pledged himself to see that the cemeteries are kept in a better condition. The salaries of the city officers were left as heretofore with the exception of policemen who are now receiving \$50 per month. It was decided to allow them \$45 per month for 6 months and \$50 for the remaining 6 months.

The election of a city marshal and tax collector was next gone into. The first question raised was the remuneration to be allowed the tax collector. Capt. Conghenour moved that the salary be fixed at \$900 per year. Alderman Vanderford moved to allow 4 per cent commission on all taxes collected. Alderman Wright favored the allowance of a salary of \$1200 per year. Much discussion followed and it was finally agreed to postpone the election of tax collector until tonight, at which time another meeting will be held.

PROF. R. G. KIZER'S CHANGE.

The Principal of Salisbury's Graded School Will Resign.

Prof. R. G. Kizer, as is noted in the report of the proceedings of the alderman of last night's meeting, has been elected a member of the school committee of Salisbury to succeed Mr. G. W. Wright, whose term has expired and who is now an alderman.

Prof. Kizer has decided at the expiration of the school year this week to give up work in the graded school and will devote his entire time to his duties as county superintendent.

For fifteen years Prof. Kizer has been connected with the graded schools of Salisbury in the capacity of principal and surely no educator in the State has served his constituents more faithfully. During his headship at this school hundreds of boys and girls have gone out into the various walks of life who cheerfully attest to his devotion to the profession. He has succeeded abundantly and the present school board will part with his services reluctantly. Their confidence in him was demonstrated by the unanimous vote given him last year.

As county superintendent Prof. Kizer brings to the discharge of his duties the ripeness of 25 years' experience in educational work and the county is to be congratulated on his determination to give the duties of this office his undivided time and attention.

GRAVES DECORATED.

The C. M. A. Remembered Their Deceased Members Sunday.

The C. M. A. Society on Sunday observed a very appropriate and touching ceremony by decorating the graves of their deceased members.
