WILL MOVE THE CASE.

REV. AUSTIN TO BE TRIED OUTSIDE OF ROWAN.

His Attorneys Allege That There is Too Much Local Prejudice Against Him in This County.

Walter Murphy, Esq., counsel for Rev. J. F. Austin in the case against him for larceny, stated this morning that Rev. Austin's case would not be tried in Rowan county. Asked as to why this move would be made Mr. Murphy replied that a removal would be asked on the ground that local prejudice is strong against his client and that he cannot get a fair trial here on that account. It is, of course, not known as yet to what county the case will be moved.

Mr. Austin is still in jail, having so far failed to secure bondsmen either in the case against him for larceny or perjury.
