The Widow And The Printer.

"Now," said the insoluble widow, "I want you to add to the death notice, 'Gone to rest' in an appropriate place." "Yes, madam," replied the bright young clerk of the Daily Spirit, and the next morning she read, "Gone to rest in an appropriate place."

The Latest.

"The lightning rod agent," "the green goods man," "the gold brick seller" and "the bogus detective" are all put in the shade by the Kansas fellow who claimed by the Kansas fellow who claimed to be "State inspector of sewing machines" and collected a quarter each from the unsophisticated dames of that commonwealth.

Don't Let Them Suffer.

Olden children are tortured with itching and burning eczema and other skin diseases but Bucklen's Arnica Salve heals the raw sores, expels inflammation, leaves the skin without a scar. Clean, fragrant, cheap, there's no salve on earth as good. Try it. Guaranteed. Only 25c at all drug gists.

A dressmaker can supply a woman with her wedding gown, but not with a divorce suit.

Food Changed to Poison.

Poisoning food in the intestine produces effects like those of arsenic, but Dr. King's New Life Pills expel the poisons from clogged bowels, gently and surely, curing Constipation, Biliousness, Sick Headache, Fevers, all Liver, Kidney and Bowel troubles. Only 25c at all drug gists.

A Kansas man desired to have his infant son christened Leon Czolgosz. The preacher refused to fasten any such name upon the little innocent. The neighbors gave the man until sundown to get out of town.

"A man ought to be as good as he advises others to be, but somehow he never is."

He Kept His Leg

Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation, "but," he writes, "I used one bottle of Electric Bitters and 14 boxes of Bucklen's Arnica Salve and my leg was sound and well as ever." For Eruptions, Eczema, Tetter, Salt Rheum, Sores and all blood disorders Electric Bitters has no rival on earth. Try them, all druggists will guarantee satisfaction or refused, money. Only 50 cents.
