Continues With Unabated Interest.

Instead of a dull season usually the case at this time, our unparalleled bargains add additional strength each day to this remarkable shoe sale.

No wonder these offerings should prove drawing cards, for never was such good footwear sold at such low prices, and this week will be no exception.

Many new styles will go in this week that will make this sale still more attractive than the weeks previous.

We are working for a definite end--the adjustment of stock for the changing of some of our lines and adding of many new and attractive lines.
