UP TO JUDGE CLARK.

The charges made against Judge

Walter Clark by Maj. J. W. Wilson constitute the greatest political sensation of the past two years. On account of the standing and high reputation Judge Clark owes it to himself and his friends to deny these charges if they are untrue. The most serious of the fourteen specific charges are:

During the Fusion regime did any one ever hear him speak, or hear of his speaking a word of encouragement for the Democracy?

In 1896, when the Democratic Convention sent a committee to ask him to lead the party, did he not refuse, unless it was agreed that he should remain on the bench, drawing his salary, until the election was held and it was known whether he was elected or not?

In 1895 did he not suggest to leading Populists and members of the Fusion Legislature "that the man who received all the votes of all the parties was the logical candidate for the Senator to be chosen by the Fusion Legislature?"

Did he not advise Governor Russell to remove the Railroad Commissioners, and did he not prepare an order for their removal, and did he not afterwards sit in judgment on their appeal?

Did he not confer with Mr. John H. Pearson and get his consent to accept the place before Russell removed me, and did he not advise Russell that Pearson would accept?

After Judge Faircloth died, and before he was buried, did he not ask Dr. Cyrus Thompson to see Governor Russell on the train, going to Goldsboro to attend Judge Faircloth's funeral, and ask the Republican Governor to appoint him Chief Justice?

During the years 1895-'96-'97 and '98 did he not suggest many things, and represent to the editor, to burn the copy?

After the Democratic Convention held in May, 1898, refused to accept Butler's Fusion Scheme, did he not say "The Democracy can't win. It was sold out, and has elected Simmons, a tool of the railroads, Chairman. It will be beaten worse than ever?"

Judge Clark should explain.

—Santos Dumont expects 150 airships to contest for the \$100,000 prize at St. Louis.

—Indications point to a bitter fight in the Senate on the Cuban Reciprocity bill. Nineteen Republican Senators are opposed to any concessions to Cuba.

Shot In His Leg.

For sores, burns, blisters, wounds DeWitt's Witch Hazel Salve is sure cure. Skin diseases yield to it at once. Cures piles. Beware of counterfeits. "I suffered from a gun shot wound in my leg," says A. S. Fuller, English, Ind. "DeWitt's Witch Hazel Salve finally cured me." Jane Plummer.

There are 23,000,000 widows in India, many of them under 10 years of age. Only one ruler, the Gaikwar, of Baroda, has had the courage to legalize their remarriage.

Cures Blood Poison, Cancer, Ulcers, Eczema, Carbuncles, Etc. Medicine Free.

Robert Ward, Maxey's, Ga., says: "I suffered from blood poison, my head, face and shoulders were one mass of corruption, aches in bones and joints, burning, itching, scabby skin, was all run down and discouraged, but Botanic Blood Balm cured me perfectly, healed all the sores and gave my skin the rich glow of health. Blood Balm put new life into my blood and new ambition into my brain." Geo. A. Williams Roxbury, face covered with pimples, chronic sore on back of head, suppurating swelling on neck, eating ulcer on leg, bone pains, itching skin cured perfectly by Botanic Blood Balm—sores all healed. Botanic Blood Balm, cures all malignant blood troubles, such as eczema, scabs and scales, pimples, running sores, carbuncles, scrofula, etc. Especially advised for all obstinate cases that have reached the second or third stage. Druggists, \$1. To prove it cures, sample of Blood Balm sent free and prepaid by writing Blood Balm Co., Atlanta, Ga. Describe trouble and free medical advice sent in sealed letter.

Gum Chewing Legislation.

Four gum-chewers sit side by side in the House. They are Representatives Scarborough and Fever, of South Carolina; Sparkman, of Florida, and Pou, of North Carolina.

During the debates on the Cuban reciprocity bill, which the quartet follows with close attention, the gum-chewing habit is manifest. When the discussion lags, the statesman-like jaws move slowly. When there is a moment of excitement, the jaws operate with feverish haste.

It is always easy to tell the situation in the House by observing the gum-chewing quartet.—Washington Post.

A Tar Heel Estimate.

A North Carolinian who was in Charleston on the occasion of the President's visit there is quoted in the New York Sun as making this estimate of Mr. Roosevelt: "He is the kind of a man that you would like to ask to take a drink. When he swigs that ponderous lower jaw and leans forward to speak he has the attitude of a man, tense with feeling, who raises his fist, jams it hard against a table and says: 'I'll be damned if I isn't so,' and you believe him. He will get all the backing that North Carolina can give a Republican President."

President Roosevelt's remark that he is a better American since his trip to Charleston, is a just, if somewhat tardy recognition of Southern influences. The latch-string is on the outside, gentlemen. Keep on sending them down to us, and we will be delighted to continue manufacturing them into better Americans, until you reach the point where you can make a pretty good show for yourselves.—Augusta Chronicle.

A Valuable Medicine For Coughs and Colds in Children.

"I have not the slightest hesitancy in recommending Chamberlain's Cough Remedy to all who are suffering from coughs or colds," says Chas. M. Cramer, Esq., a well known watch maker, of Colombo, Ceylon. "It has been some two years since the City Dispensary first called my attention to this valuable medicine and I have repeatedly used it and it has always been beneficial. It has cured me quickly of all chest colds. It is especially effective for children and seldom takes more than one bottle to cure them of hoarseness. I have persuaded many to try this valuable medicine, and they are all as well pleased as myself over the results." For sale by James Plummer.

MOTHERS, DO YOU KNOW

the many so-called birth medicines, and most remedies for women in the treatment of their delicate organs, contain more or less opium, morphine and strychnine? Do You Know that you should not take internally any medicine for the pain accompanying pregnancy? Do You Know that Mother's Friend is applied externally only? Do You Know that Mother's Friend is a celebrated prescription, and that it has been in use over forty years, and that each bottle of the genuine bears the name of The Bradford Regulator Co.? Do You know that when you use this remedy during the period of gestation that you will be free of pain and bear healthy, hearty and clever children? Well, these things are worth knowing. They are facts. Of druggists at \$1.00. Don't be persuaded to try a substitute. Our little book "Motherhood" free. THE BRADFORD REGULATOR CO., Atlanta, Ga.

Critical Age With Girls.

Sixteen is a critical age with girls. It is then, if ever, that the Mary Anns become Maries and Maymes and Maes.—Puck.

A Deep Mystery.

It is a mystery why women endure backache, headache, nervousness, sleeplessness, melancholy, fainting and dizzy spells when thousands have proved that Electric Bitters will quickly cure such troubles. "I suffered for years with kidney trouble," writes Mrs. Pache Oberley, of Peterson, Ia. and a lame back pained me so that I could not dress myself, but Electric Bitters wholly cured me, and, although 73 years old, I now am able to do all my housework." It overcomes constipation, improves appetite, gives perfect health. Only 50c at all druggists.
