Head Chopped off With an Axe.
Tazewell, Tenn., June 2.—Sam Davis was killed late yesterday, Fate Minton chopping his head off and burying the axe several times in his body. The men engaged in a difficulty at Minton's house. Minton was put in Tazewell jail last night and the sheriff made preparations for protection against mob violence, fears of which were expressed last night.

Right Kind of Girl
A gentle maid from Kansas recently astonished a would-be masher, who had sat down beside her in a crowded car and absent-mindedly put his arm around her. The maid looked serenely in front of her and jabbed a hat-pin into the offending arm good and deep. The masher's fearsome yell betrayed him. That is the kind of girl to take one's hat off to, in a street-car or an elevator or any other old crowded place.—Charlotte News.

Another Safe Blow.
Burglars blew the safe of the Avelon Mills, near Mayodan, in Rockingham county, and got about \$40. It is believed to have been the work of two men and a boy who were seen about the place previous to the robbery.

The loudest gong may call one to the poorest dinner.

"I have been troubled for some time with indigestion and sour stomach," says Mrs. Sarah W. Curtis, of Lee, Mass., "and have been taking Chamberlain's Stomach and Liver Tablets which have helped me very much so that now I can eat many things that before I could not." If you have any trouble with your stomach why not take these Tablets and get well? For sale by James Plummer.

Emma Reese Will Recover.
Emma Reese, the woman who swallowed glass last week in an attempt at suicide, and who is at the Presbyterian Hospital, continues to improve. The physicians say she will recover.—Charlotte Observer.

Waxahachie, Texas, June 2.—A double tragedy occurred last night near the little village of Rankin, 14 miles south of Waxahachie, in which a farmer, Samuel Westmoreland, and his wife, were shot to death in their own house. The shooting it is charged was done by a young man named Ellis Claridy, a brother of Mrs. Westmoreland, who has not been captured. Mr. and Mrs. Westmoreland were eating supper, when, it is said, Young Claridy appeared in the doorway with a double-barrelled shot gun and killed them.

Worst of all Experiences.
Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years" she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered." For liver, kidney, stomach and bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by all druggists.
